tate Champs! Those two words represent a dedication that begins on a hot day in August and concluded on a dark gloomy November Saturday in Ohio Stadium with CAPE's 27-0 victory over defending State Champion, St. Thomas Aquinas. And what a celebration it set off! November 30 began with a parade of cars decorated with signs and streamers north on I-71 to Columbus. The 2:30 game, which left the Crusaders on top of the Division 4 football world in Ohio, started the celebration that didn't stop 'till the wee hours of the morning. The horn blowing, gazoo sounding, cow-bell clanging, trip home led to a reception of screaming fans at the school. Despite the late arrival of the team, spirits remained high. And when that trophy finally reached the gym, the crowd went wild! Mr. Sheehan's voice was about worn out, but his spirit left the crowd roaring! Could anything top a moment like this?

The quest for excellence must begin with intensity. At C.A.P.E., it should be used in sports as well as in academics.

In sports, good intensity means a good performance. One of the most "intensive" times at C.A.P.E. was when the Crusader football team played in the state tournament. The team had to have good concentration on the field to keep their minds on the game. There was total support from the administration and student body throughout those weeks also.

In academics, students have to have good intensity to do a good job in classwork and homework. Students can only do their best on all pop quizzes, tests, and exams when they have good study habits. Intensity is the basis of any good student's daily routine.

This Page: **Top Left:** The CAPE Crusader backfield, consisting of Carlos Snow, Tracey Dula, and Enoch Fitzhugh, set up for a touch-down run. **Top Right:** CAPE's band instructor, Eddie Lowe, has many intensive moments as he directs the music for all pep rallies, half-time shows, and special programs. **Middle Right:** You have to have a very explosive beat like sophomore David Haynes to be a good CAPE drummer. **Bottom Left:** One of CAPE's fine soccer players, Tim Jones, plays a good offense against Deer Park. **Bottom Right:** Practicing for the big game, Trina Pate shows power in her serve.

Nerd" ... "What's going on?" ... "Whooooo" ... "Gimme five!" ... "I don't believe it!" The slang of the Eighties was heard through the halls of CAPE as well as every other place teens gather. What started out as a "high five" became a "low five", and as with all fads it will fade into oblivion. Clothes or other styles also reflected the times. "New wave" or "punk rock" hair styles coupled with "tails" at the neck of a more conservative group were part of the '86 scene. Then there were the long dangling earrings (even on some boys), stirrup and flowered pants, Hawaiian and paisley prints. Colors were bright — whether in clothes or in the plastic bracelets or new "swatches" — and the cheery atmosphere they projected was just one more reason that the fads of '86 made the year so special.

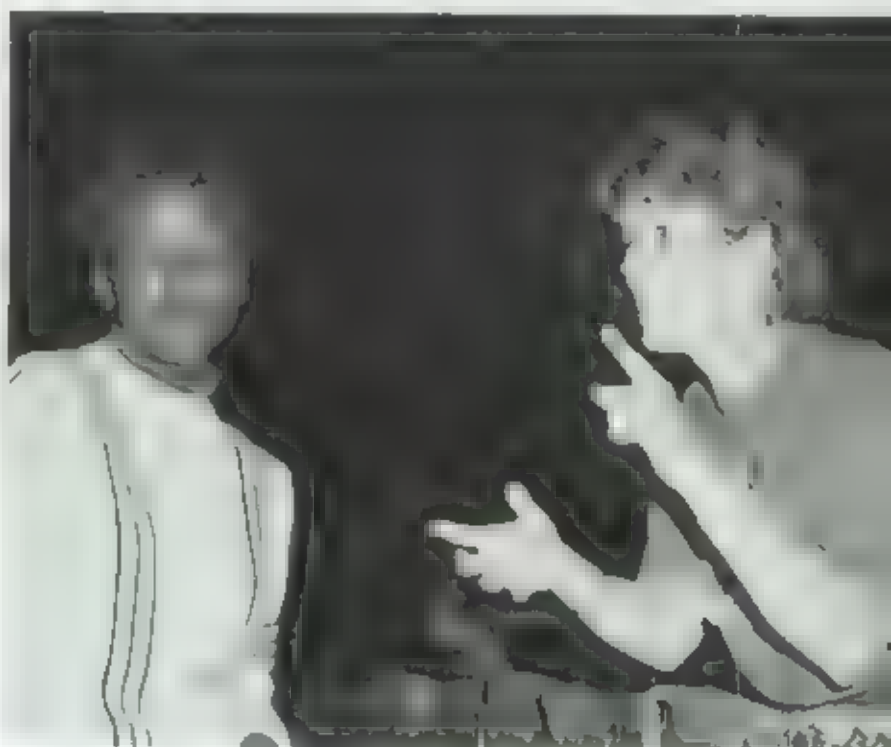

Opposite Top: Unusual hair styles as shown by Toby Gilbert and Heather Wahner. **Bottom Left:** The Hawaiian print fashionable shorts and shirts are sported by Ricardo Hill, Ron Campbell and Jeremy Weber. **Bottom Right:** Big shirts are on Kim Johnson, Becky Applegate, Kim Stephens, and Tina Enkhardt show off theirs. **This page Top:** Stirrup pants as worn by Lisa Viter, Shannon Gesser, and Lisa Brexns, were a new trend this year. **Middle Left:** A common fad to the stirrup pants are the newly flowered ones shown by Kate Ris, Gina Ritter and Kevy Lynch. **Middle Right:** A rainbow of bracelets decorates Samantha McManis arm. **Bottom Left:** These are the popular shoes displayed by a few CAPF Crusaders. **Bottom Right:** Denine and Tauanna show off the names and numbers of their boyfriends.

Face (fās): The front part of the head that includes the eyes, nose, and mouth. It is the chief tool in expressing our feelings, our emotions and our thoughts. The facial expressions of the students at C A P E range from enthusiasm to sorrow, and from determination to elation. It isn't hard to tell whether a student passed or failed a test as he walks down the hall. You know whether the basketball star played well by how he holds his head as he walks off the court. When you see a girl's eyes light up as she walks out of class, you know there is someone waiting for her. Facial expressions are very important; being able to understand them is even more important.

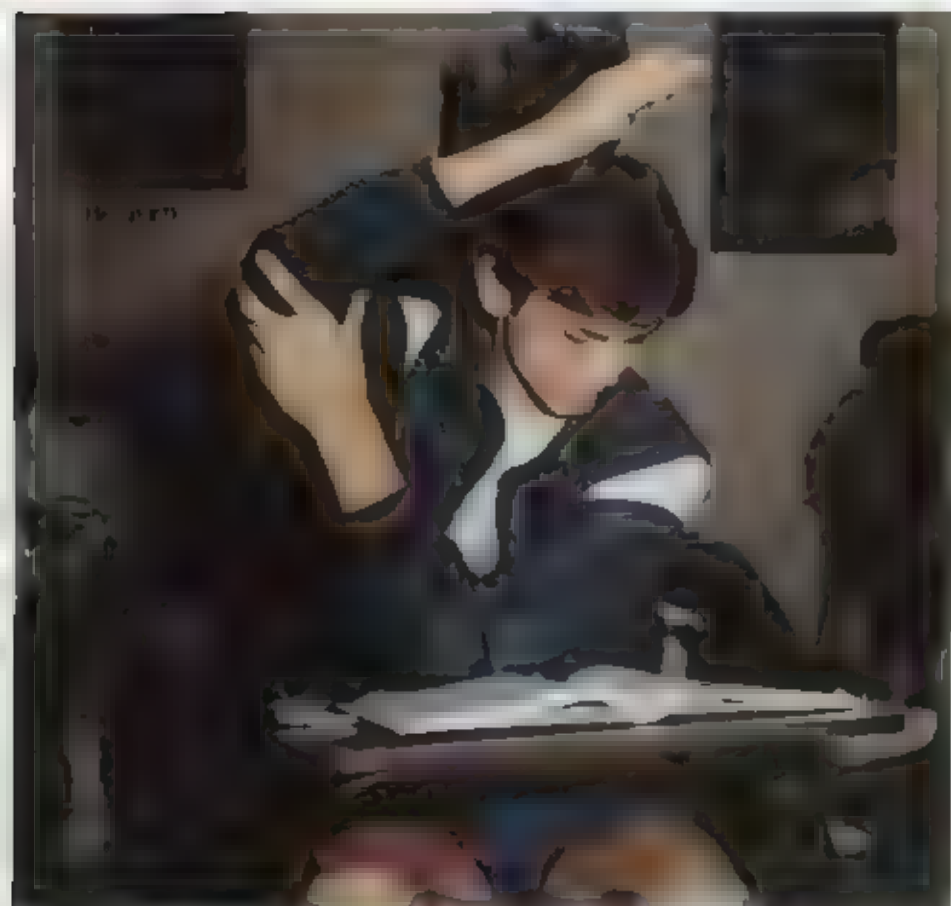

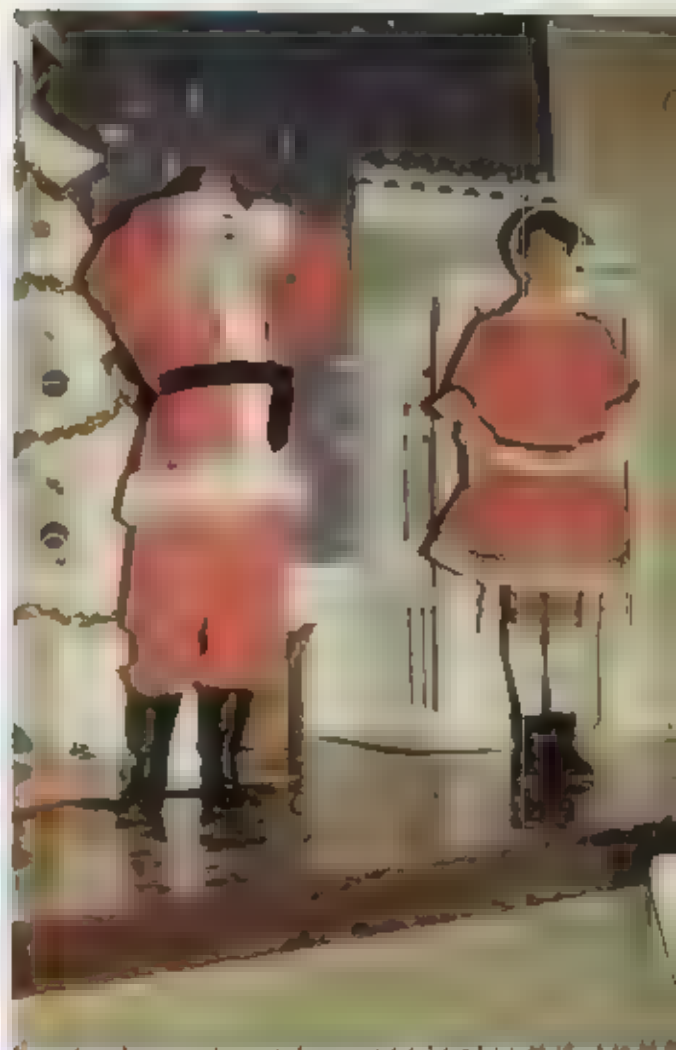

Opposite Page **Top Left:** The much needed touchdown must be the reason for Coach Sheehan's elation. **Top Right:** Determination is displayed on Alicia Spencer's face as she practices her play and skills. **Middle Right:** What did Coach Mona Bes. just say to Ginger Williams? **Bottom Left:** If that isn't determination in William Bell's face, then what is it? **Bottom Right:** Story time at the library's met with mixed emotions.

It's often said that enthusiasm is contagious. At CAPE, that theory certainly holds true. No matter what the activity — whether a Christmas play, a carnival or just some 'horsing around' — the enthusiasm generated spreads to all other aspects of the school day. Besides, happy students do better in class! Answers come easier when home and class work are done enthusiastically. It's the kind of atmosphere any school strives for. CAPE is not the exception. The activities are planned to support and enhance the academic program. When things gel, progress is made toward that goal. Success can be then the only result of such a program.

“Back To Future” Theme Of '85 Homecoming

Homecoming was one of the big highlights of the football season. It rekindled the Crusader pride and spirit. Many events took place during this week. Letters were sent to all of last year's graduates inviting them to be a part of this year's homecoming. During the week, special events took place — Senior Appreciation Day, “Baby Day,” “CAPE Cap Day” and on Friday, a carnival culminated the week's celebrations. Besides all the food you could handle, there were booths which included face painting, pie throwing, a dunking booth, and a haunted house. Any kind of candy you could want was being sold.

The game was played at Maremont. CAPE shutout Maremont by a score of 21 to 0. During halftime, Dante Johnson and Becky Applegate were pronounced 1985 Homecoming King & Queen. After the game, everyone returned to the school for the traditional homecoming dance. It was a great night for those involved.

"Santa Goes Hip"**

Holidays Bring Out Spirit Of Season

The holiday season once again brought a spirit of excitement to C.A.P.E. Mrs. Fields, with the Art, Drama, Choir Club spent many hours working with the cast of "Santa Goes Hip". Many days of practice kept the Elementary Ensemble learning its songs throughout December. While the cast prepared for the action, Mr Harris classes went about their business preparing the stage itself. Beautiful scenes depicting a small village created a sense of excitement and anticipation of the festive times to come. Mr. Harris directed the students in their highly successful endeavor.

While the Elementary grades were busy with production, Mr. Love and Mr. Hatmaker were keeping the senior high music department preping for its performance at the Christmas Assembly. Even the Spanish and French classes learned their carols in the languages of distant lands. When Dec. 20 finally arrived, the school was really ready to celebrate.

Skiers Challenge Cockaigne Mt.

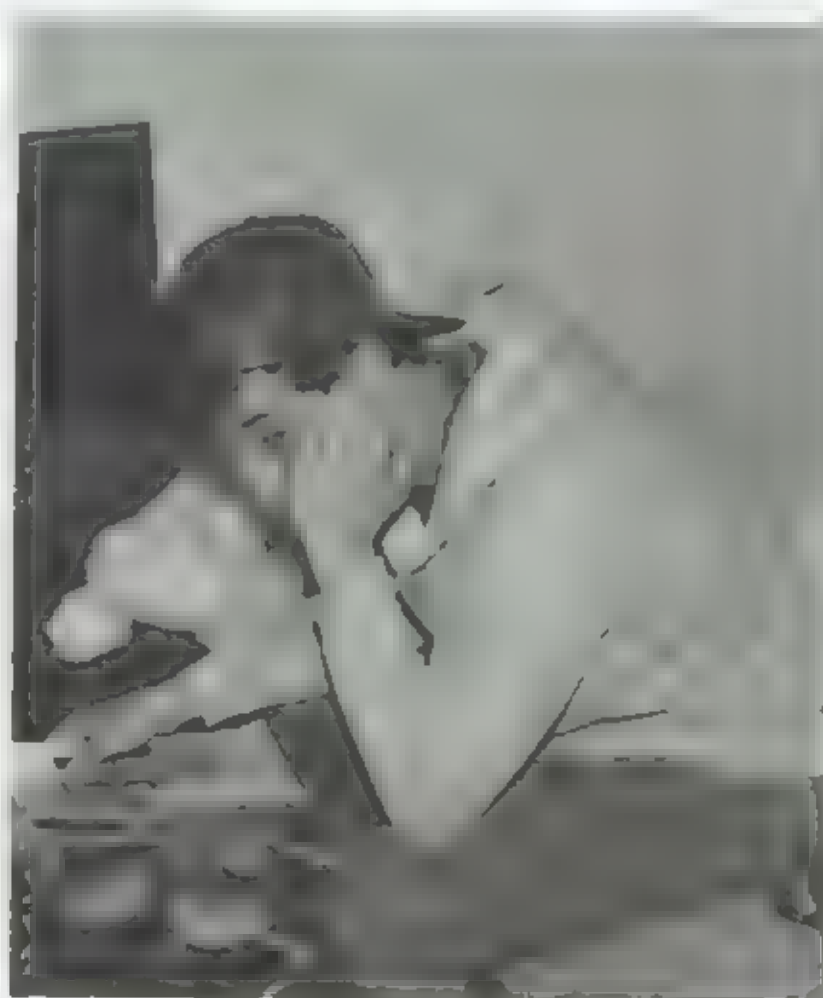

The 1986 ski trip, prepared by Mr. Bruce Breiner, was a huge success. A total of 43 people went — 37 students and 6 adults. The trip left on Monday January 27 at 8:30 in the morning and returned around 5 o'clock the following Friday.

The cost of the trip was \$200. It included all skiing instructions and ski rentals, 3 meals a day, and hotel accommodations.

The students and adults skied for three days and traveled for two. Each student received a packet of work from each teacher and had to study for one hour each night. After study period, there was freetime. At this time everyone could do what they wanted, such as watch T.V., play cards, go to the store, or just sit around and talk.

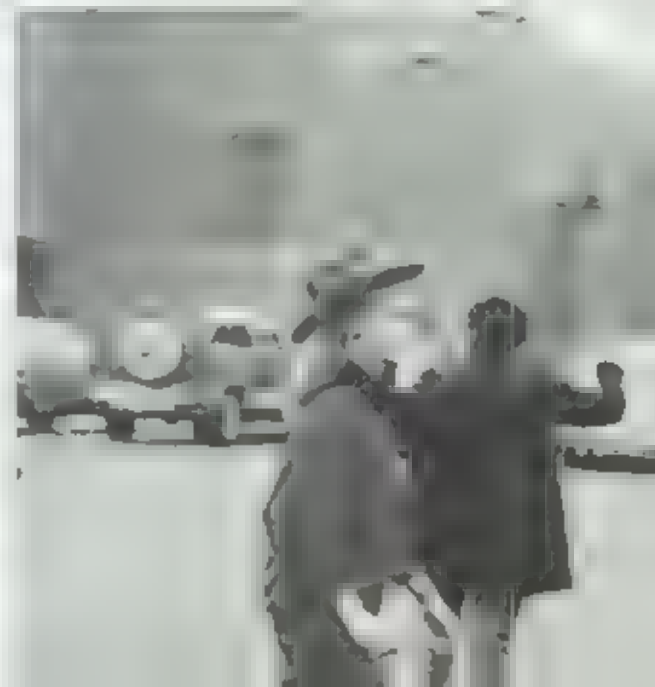

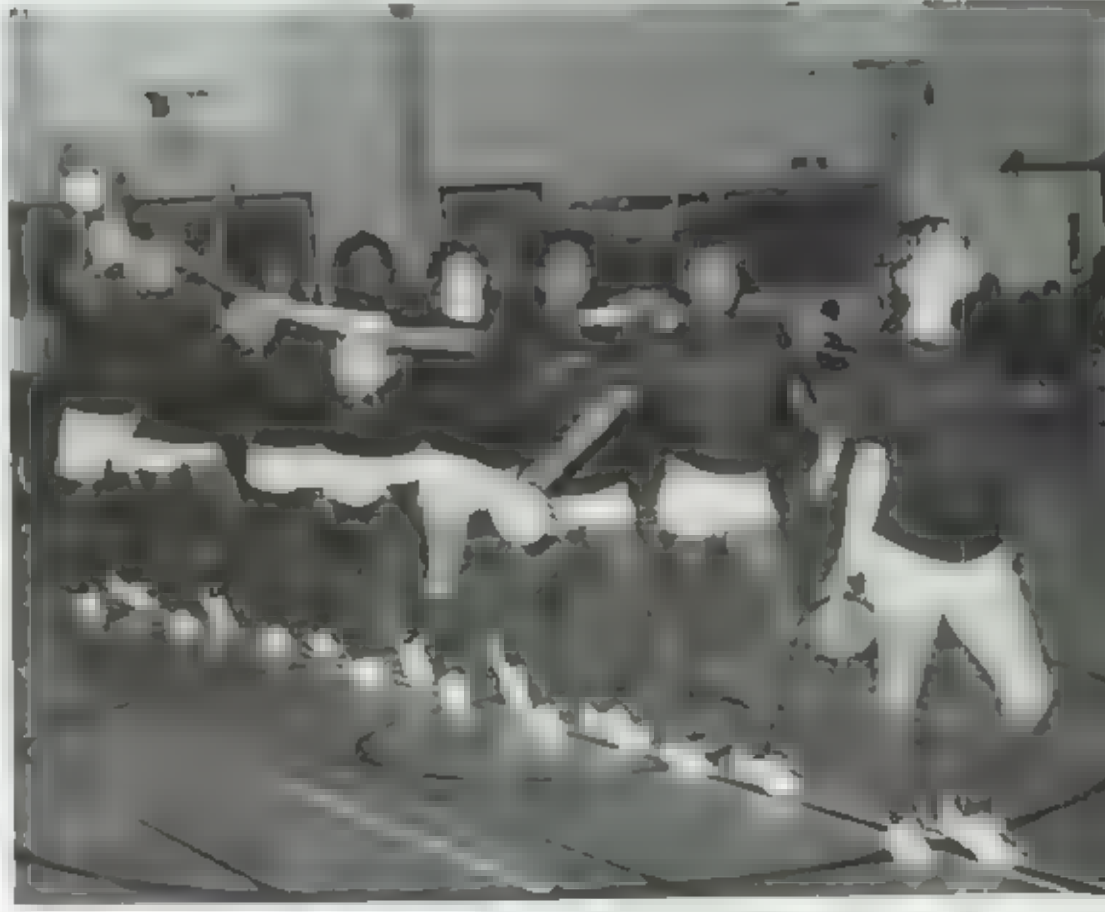

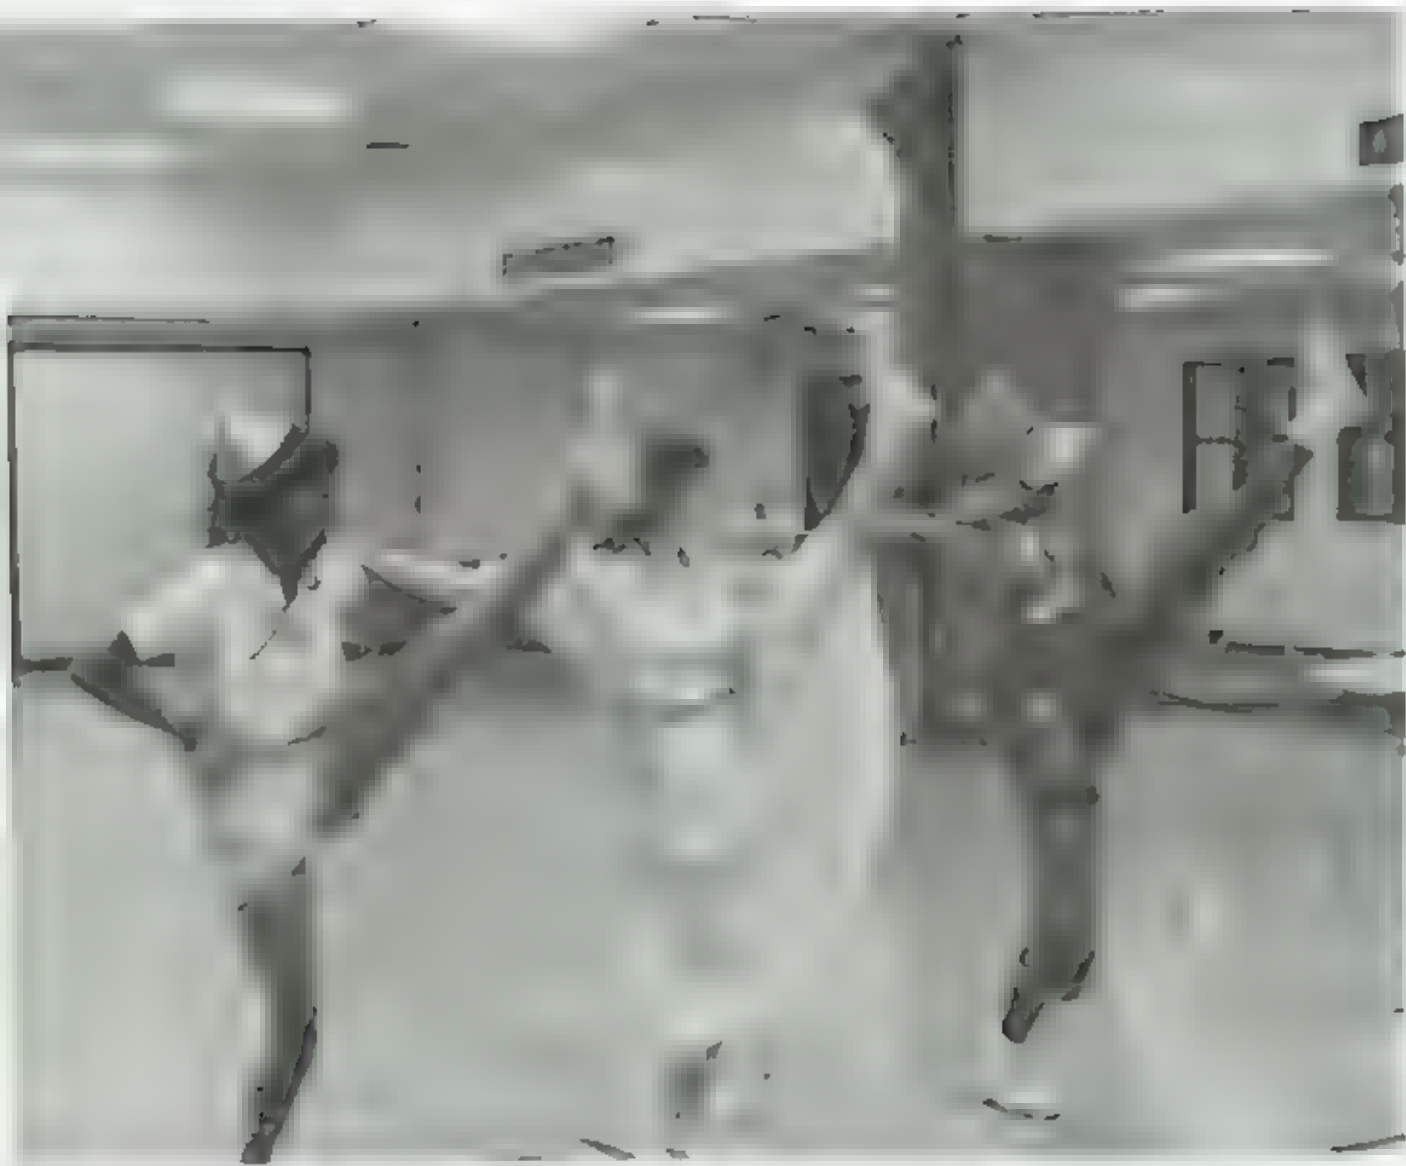

Competition among skiers was fierce this year. Mike Seal proved his power on the slopes among the men, while Cyndi Goins was queen of the mountain among the girls.

As the bus pulled into CAPE on that late January night, the snow addicted skiers couldn't believe the balmy weather that had invaded Cincinnati. The weather had changed but the tired travelers couldn't get the snow out of their minds.

Capettes Bring Home The Gold

This year has been a victorious year for the Capettes. They completed their season winning 20 trophies in total. The eight-minute-show trophies consisted of a first place and grand champion at Norwood, first place, best inspection and best captain at P H S L., and second place at Oak Hills. These are just a few of the accomplishments the Capettes received.

These very talented young ladies were led by Sr. High captain Tina Eckhardt. First Lieutenants were Karen Essex and LaGina Carter. Jr. High Captain was Jeanita Weathersby. The leaders of the whole organization are Advisor Mrs. June Clayton, Choreographer Barbara Kees, and Assistant Advisor Mrs. Chalet Dickinson-Jules.

The Capettes put many hours of hard work and practice into their performances and in the end it paid off. It takes a lot of dedication and hard work in order to remain on the team. The girls must maintain a C grade-point average for academic work.

The Capettes enter two different kinds of competitions. There are line competitions and eight-minute-shows. The line routines consist of Jazz, Prop, Kick and Officer routines. The line routines last anywhere from two to three minutes. The eight-minute-show must consist of continuous movement and dance for eight minutes. These would make an aerobics instructor proud.

Seniors Stun Staff

On February 14th the seniors played the faculty in the annual senior-faculty game. After a tremendous battle, the seniors pulled off a victory. The score volleyed back and forth the entire game. The first quarter started off with Mr. Runion racing down the court for a basket. Although the seniors had their defenses up, the faculty had no intentions of losing. Mr. Christoph used his long legs as a weapon against the seniors. The faculty were in the lead, but not for long. Tim Lewis decided he had enough and he was going to get things going. And he did! He had some great shots, only to set off Willie Robertson. After Willie's drill of baskets, the faculty began to lose faith. Mr. Runion and Mr. Gardella woke the faculty up, and got them moving. The faculty raised the score to a 41-40 lead which again only inspired the seniors. It made them push back and raise the score in their favor. The faculty's effort was not enough. The mighty seniors succeeded in being the first class to beat the faculty. The teams included — for the seniors: Coach — Shawn Ward, Fred Bankston, Mike Brooks, Enoch Fitzugh, Dante Johnson, Tim Lewis, Al McGuire, Willie Robertson, Mike Seal, Kevin Smith, Kim Johnson, LaDonna Mango, and Tauanna Payne; for the faculty: Coach Steve Sheehan, Anita Burke, Rick Christoph, Jim Engel, Tim Finn, Gary Gardella, Lynn Hannum, Peggy Meacham, Bob Milisor, Dave Price, Lance Runion, Stu Shestina, Kip Waddell, and Sharyn Weiss.

Athletes In Action: Kick Drug Abuse

The Cincinnati Bengals came to C.A.P.E. on March 13 to campaign against drug and alcohol abuse. As part of their message, the five Bengals participated in different competitions with selected Crusader athletes. Between matches, the Bengals conveyed personal messages that convincingly portrayed the negatives of chemical or alcohol use.

The competition consisted of volleyball, sit-ups, relay race, basketball and a tug of war. The tug of war was the highlight of the assembly. With the Crusader's secret weapon (a bevy of heavyweights), the C.A.P.E. team won over a struggling line of Bengal muscles. At the end of the affair, the visiting celebrities signed autographs for the many students who crowded around.

CAPE's Seasonal Celebrations

Cape showed its spirit in specific holidays. Halloween has been a great tradition for Cape elementary students for the past five years.

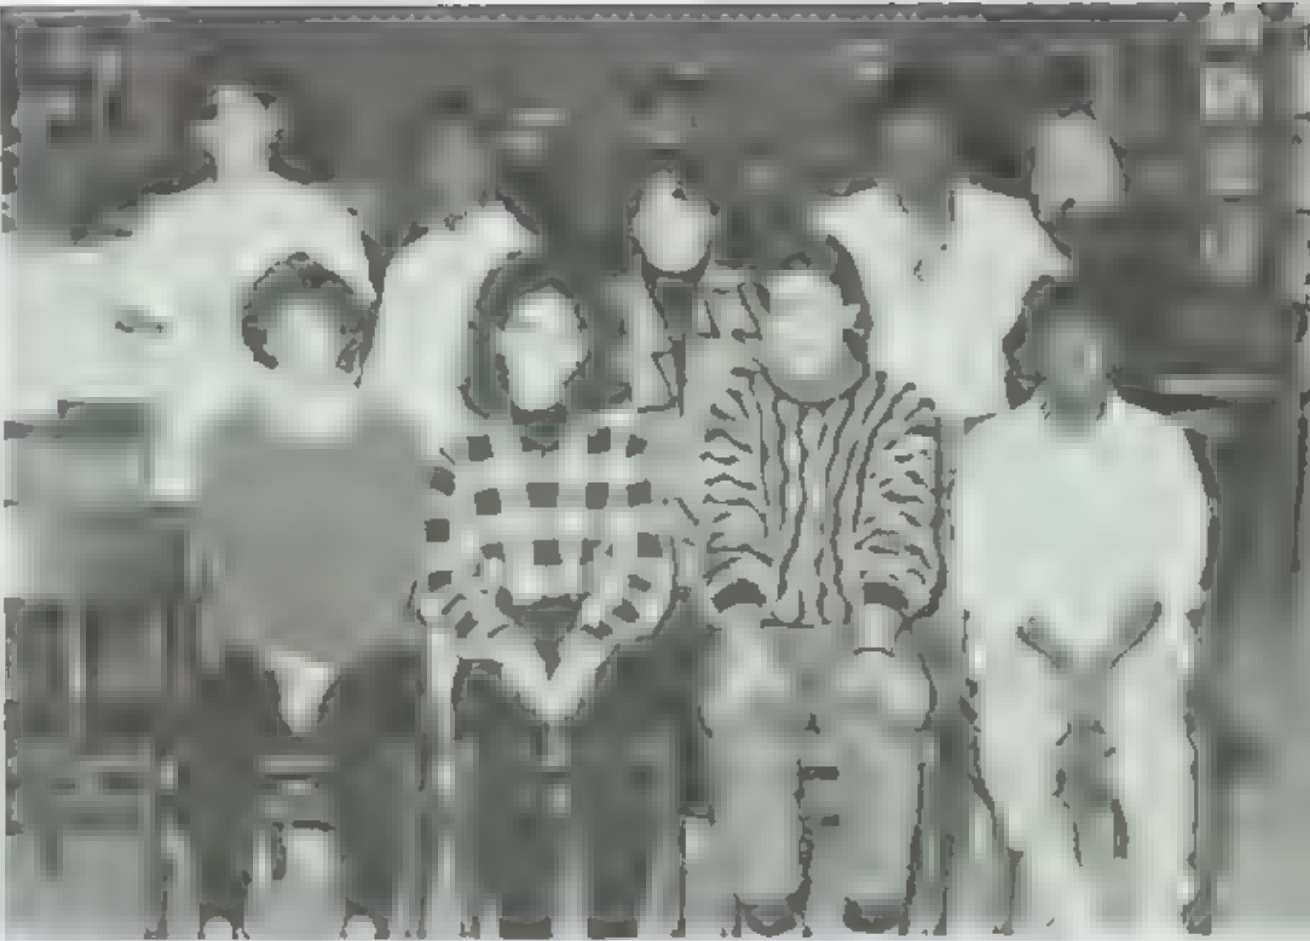

On Halloween, K-3 dressed up in their favorite star monster, and hero outfits, then paraded through Winton Terrace.

Black History is another tradition Cape has observed throughout the years. This year a special program featuring spiritual music was put on. The SCPA choir entertained the students. Many of the students stood up and joined in the singing and clapping. CAPE choir also put on a great performance at the end of the month. There were solos and a duet by Sonia Stewart and Troy Robinson. An enthusiastic crowd brought out the joy and praise that made the occasion special. Besides these performances, there were special assignments given by the teacher to emphasize the importance of this month. Book reports, essays and biographies were written by most English students about famous black Americans. Besides these activities the students of CAPE were treated to a feature movie on Mahammed A.

Outdoor Adventures

On April 19, 1986 six students and six staff members went to Pilot's Knob Mountain near Richmond, Kentucky on a rock climbing trip. The trip lasted all day long, and needless to say, it was a very exciting and challenging experience. It's the type of adventure one must be physically and mentally prepared for. Taking precautions for the dangers that come with rock climbing is the order of the day.

The C.A.P.E. repellists in Eastern Ky. were: Roger Chapman, Jeff Mierele, Jeff Steinmetz, Harold Goday, Ruth Tombragal, and Shawn O'Moore.

On April 24, 1986 the Junior class went on a canoe trip to Fort Ancient's Little Miami River near Lebanon, Ohio. The trip consisted of 20 students who were accompanied by Mr. Christoph. The students occupied themselves by canoeing 6 miles down river, having mud fights, and by tipping each other's canoes over. Despite the cold water, everyone swore they had a good time.

Reward For Excellence

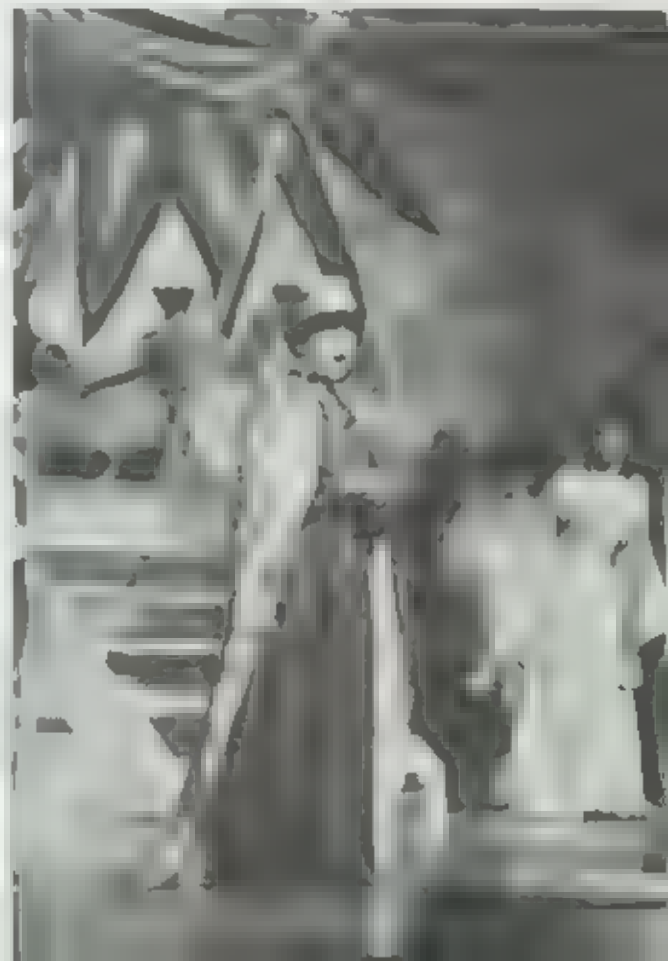

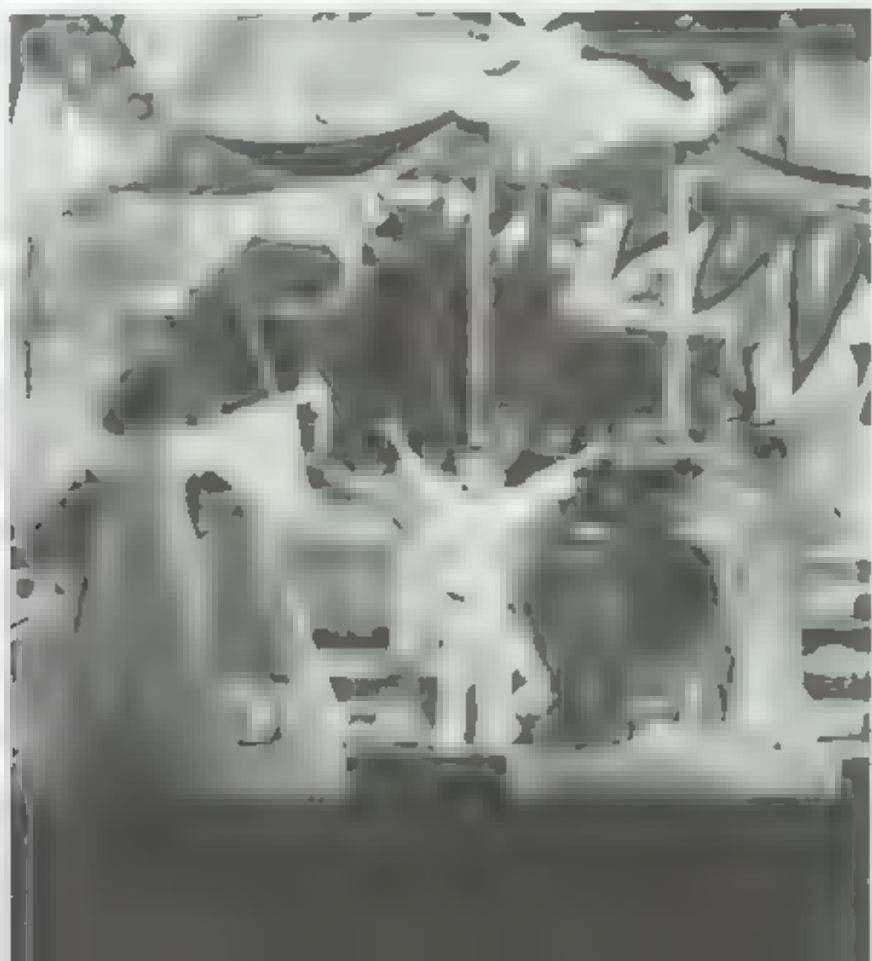

At CAPE achievement is honored whether it is athletic or academic. Success in both areas go hand in hand.

The biggest event of the school year was when the Varsity Football Team won the State Championship. In honor of winning this main event the school had a big banquet for the team and its coaches. CAPE honors all its athletes at the end of each sports season. At the banquets the athletes receive a Varsity Letter and any extra honors they are to receive for their special efforts.

This year, CAPE held its first Academic Awards Banquet for all Honor Society members and students who have been on Honor Roll for three quarters or more. Each student received a letter and a certificate for being on the Honor Roll, and at a special ceremony held at school. National Honor Society members received a pin and certificate from the National Honor Society.

Spring Productions

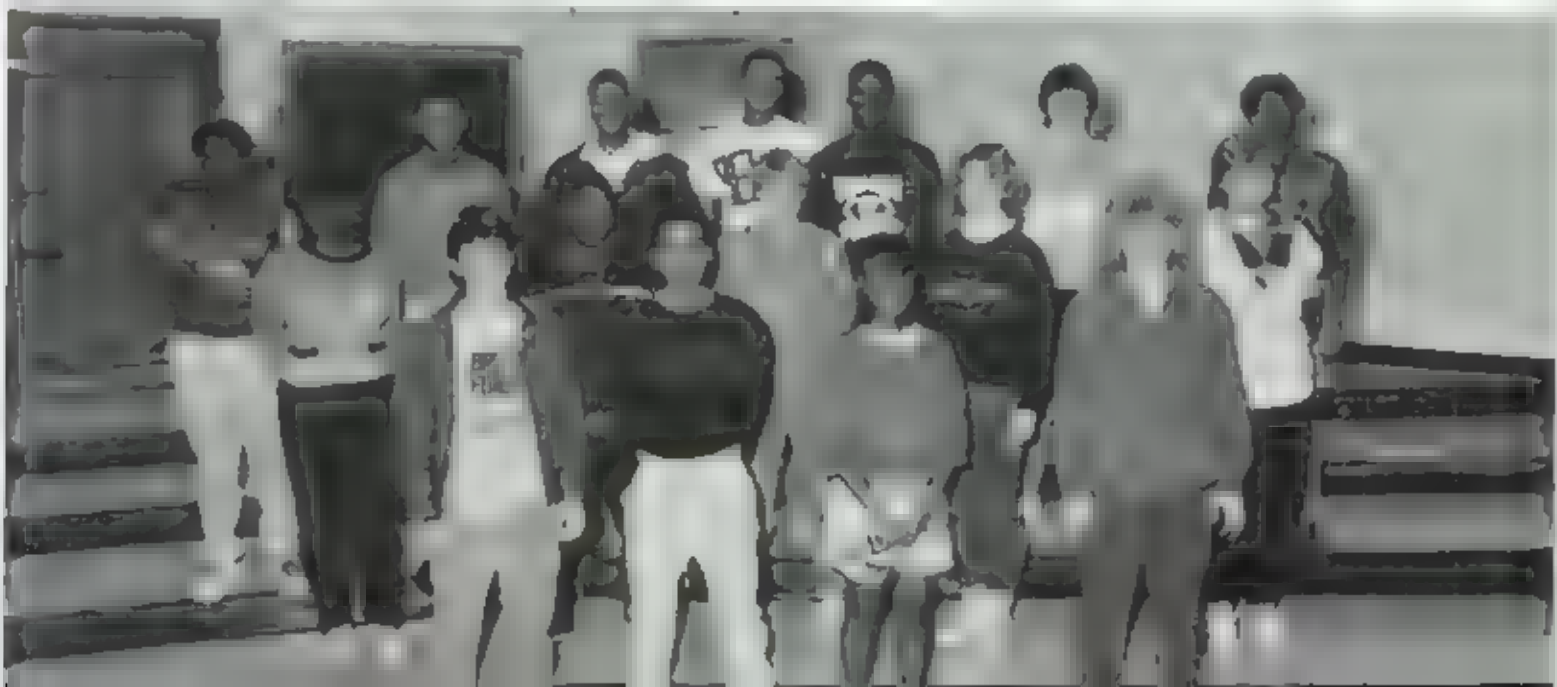

The Talent Show turned out to be a real success. This was no ordinary show. It consisted of singing, dancing, modeling and group dance routines. It was set up by Mr. Hatmaker and Mr. Kern. Some of the acts were assisted by Mr. Kern and the band. Others used records and their own voices. The place was packed to capacity with standing room only. The crowd was enthusiastic and enjoyed themselves very much. Appreciation of talent displayed was shown through loud applause.

A lot of hard work and practice went into putting the show together, but everyone seemed to think it was all worth it. A sound system was rented to make things even better. The music was to everyone's satisfaction. The acts were all crowd-pleasers. Everyone hopes this show is the beginning of a new tradition at C A P E.

In the spring production by the Art-Drama-Choir Club, Ms. Fields and Mr. Harris produced *The Mikado*. This musical was written by Gilbert and Sullivan. With the elementary students performing on stage in the second big show of the school year, the entire student body was treated to the melodies of times past, but melodies that prove timeless! The entire production was a huge success.

Moments Like This Last Forever

The Junior-Senior Prom of 1986 was held at the Terrace Hilton on May the ninth. A delicious dinner was served at 8:00 P.M. The dancing began at 9:00. Music was provided by a disc jockey from *January's*.

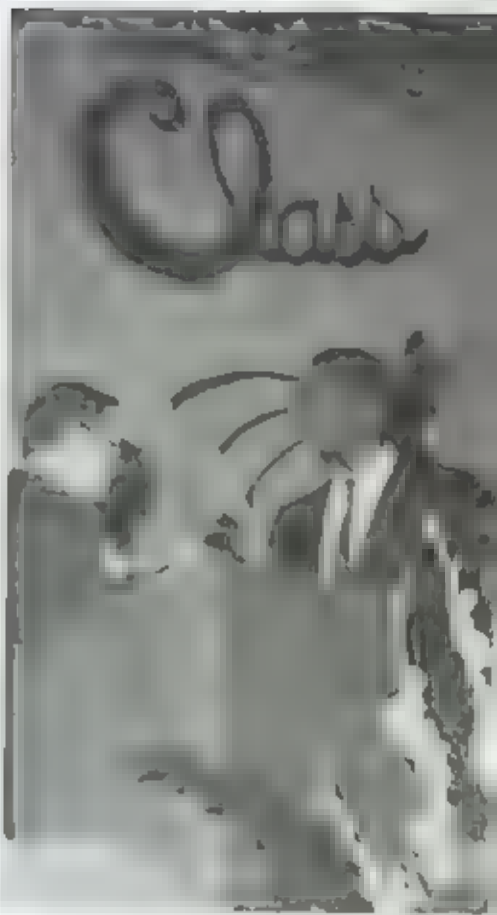

Recognizing classmates in tuxedos and formal dresses was difficult after seeing them in sweatpants, t-shirts and tennis shoes for the last four years. What a pleasant sight!

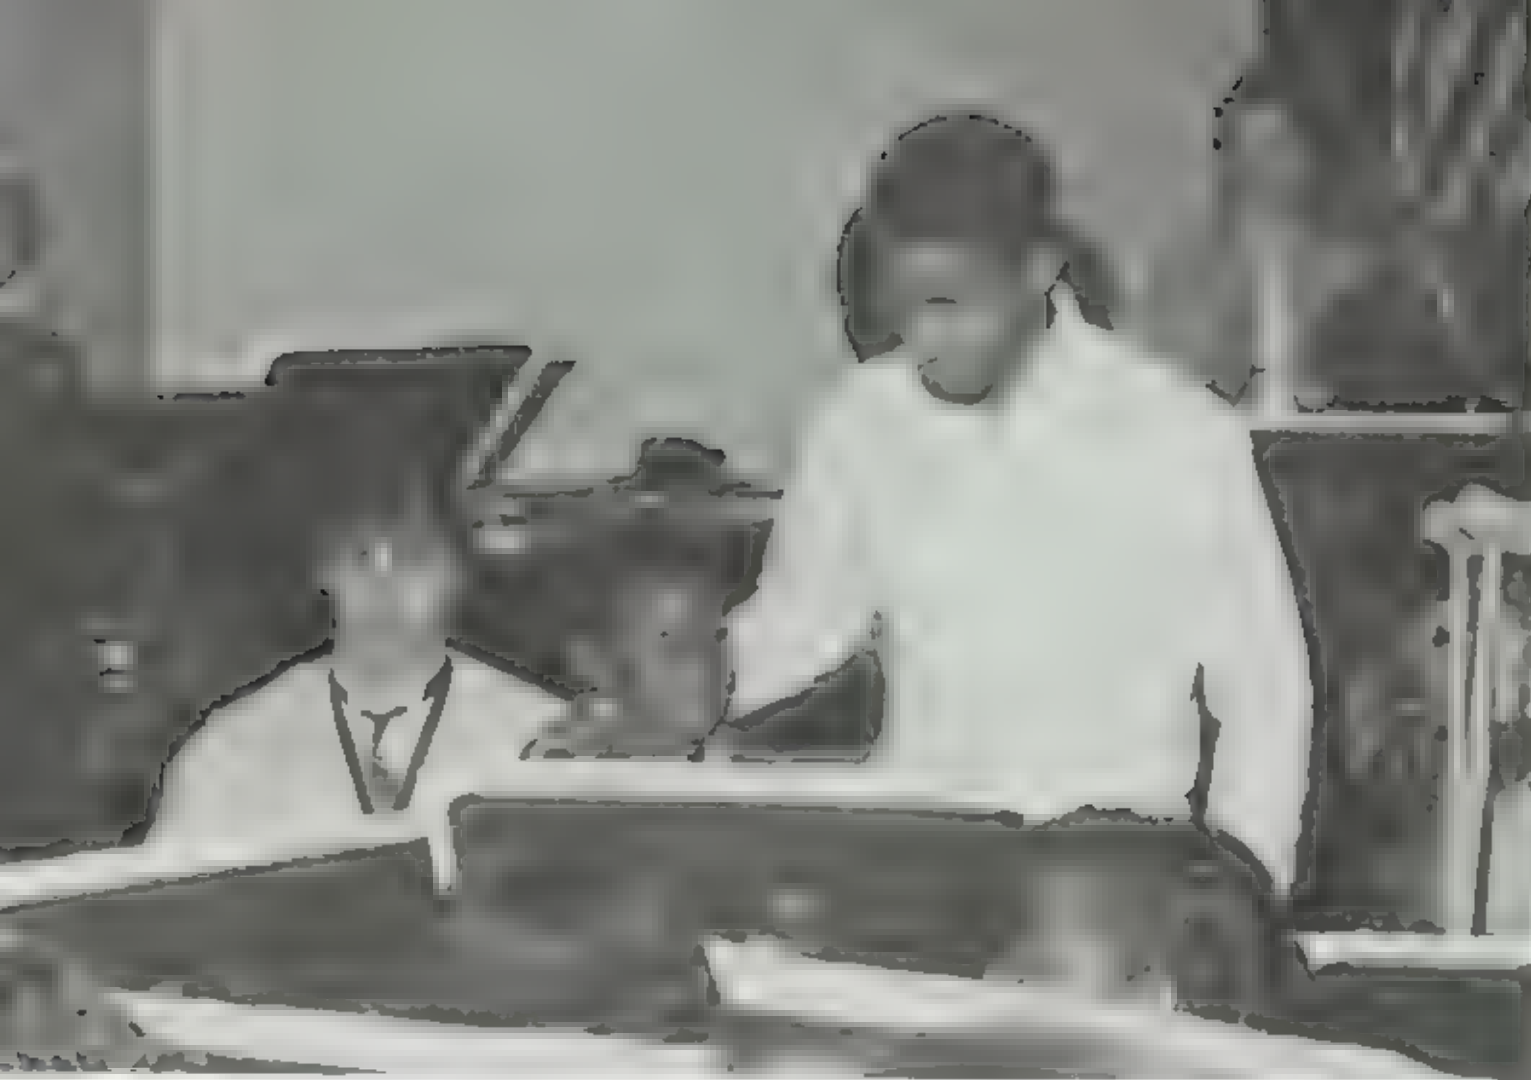

At the magic hour of midnight *Lisa Blevins* was crowned Prom Queen and *Dante Johnson* was crowned Prom King. Included in the court were Cyndi Goins, Gina Ritter, Kelly Jones, Leah Weddle, Denine Foney, Bob Tinker, Rob Whitlock, Terry Brown, Jeff Meierle, and Mike DeMoss.

For many people prom only comes once in a lifetime, and therefore it was a very special affair. This year's theme came from the song "Forever" by Kenny Loggins.

Class Day Honors Senior Achievers

Class Day for the graduating class of 1986 was held on May the twenty-eighth. On this day, seniors were recognized for their academic and sports achievements, while their parents and friends applauded.

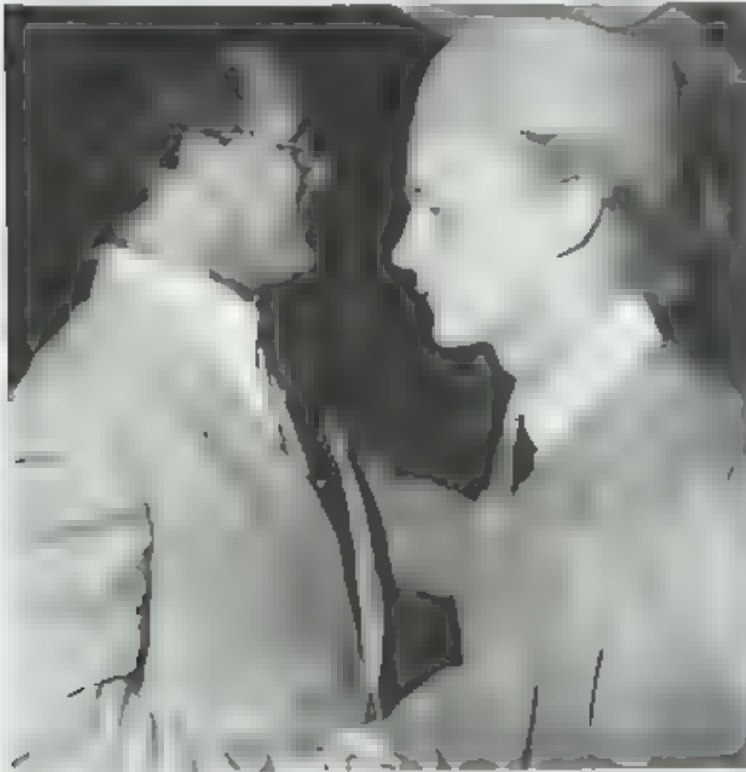

This year Mr. Maher presented the Nora Thompson Award to Rob Whitlock and to Darlene Johnson. This award recognizes two students, a young man and a young lady who are high achievers in both academics and in sports. Honors and scholarships were also recognized by Mrs. Crum.

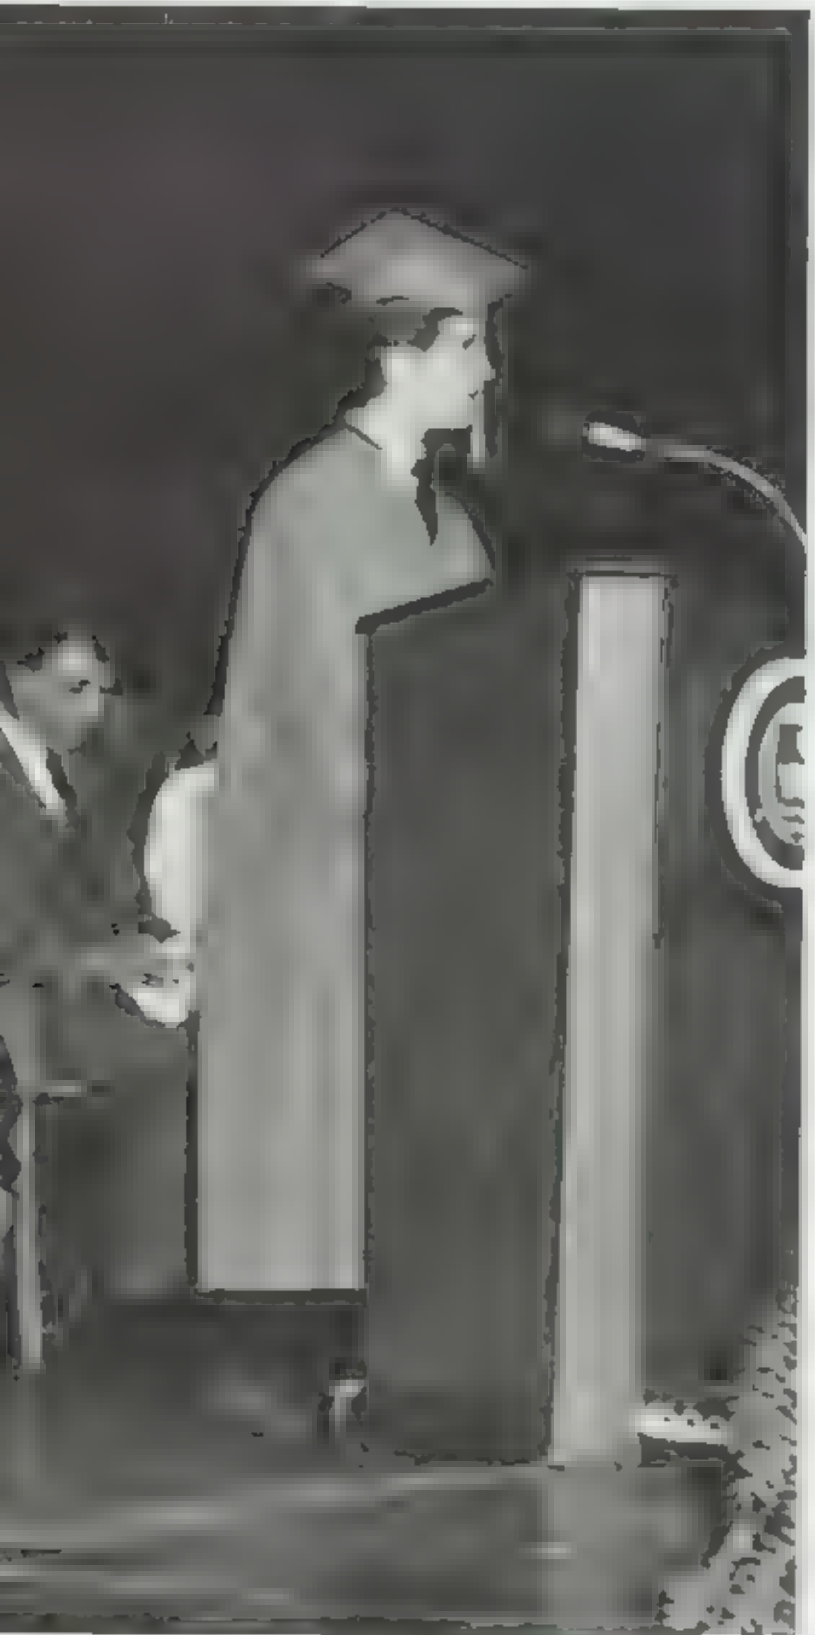

A very important part of Class Day was the Sword Ceremony. This year's graduating class president, Tony Overbey, presented the sword to next year's senior class president, Jacqueline Jordan. This ceremony symbolizes the handing over of leadership (the sword) to the next senior class with the hope that they carry on the C.A.P.E. tradition of being "Nulli Secundo," second to none.

Graduation Climaxes 1986

The Commencement exercises for eighty three seniors included in the class of 1986 represents a new beginning, a new start in life. These young men and women have worked for twelve years to reach this point, and they have earned all of the happiness and respect that a diploma deserves.

The graduation ceremonies for the class of 1986 were held at the Mt. St. Joseph's auditorium on June the fourth. After the seniors marched down the aisles in their caps and gowns Troy Rudd, the salutatorian welcomed everyone to the ceremonies. Next, Leah Wedde, the class valedictorian gave her speech which dealt with her high school career and the future. When the class of '86 left the auditorium, it was the last time that they would ever be together as a group again. Tears and laughter mixed with the well wishes. "Good luck to all as your life commences." was on the minds of every member of the auditorium.

State Champions!

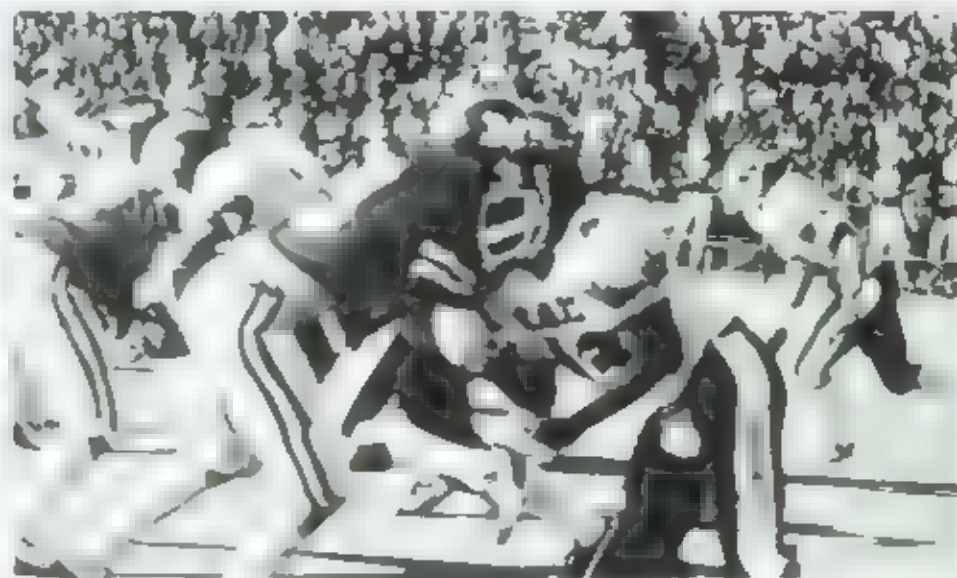

The CAPE Crusader Football Team had an unbelievable season — a season that most people could only dream about. The Crusaders were in a league for the first time, and they took it by force. The Crusaders went undefeated. In regular season play, they were 9 and 0 in the league, and 10 and 0 overall. They defeated each of their 10 opponents by an average score of 38 to 6. They finished fifth in the final class AA state poll, and an impressive seventh in the *Enquirer* city poll. You could say that CAPE'S spectacular season was because of the play of Carlos Snow. Not true; it was totally a team effort. The offense averaged 359 yards a game and 38 points. The Defense only allowed an average of 127 yards and 6 points a game. This was a fantastic season, one that will be remembered for a long time.

Football, 1985 — Crusader Style

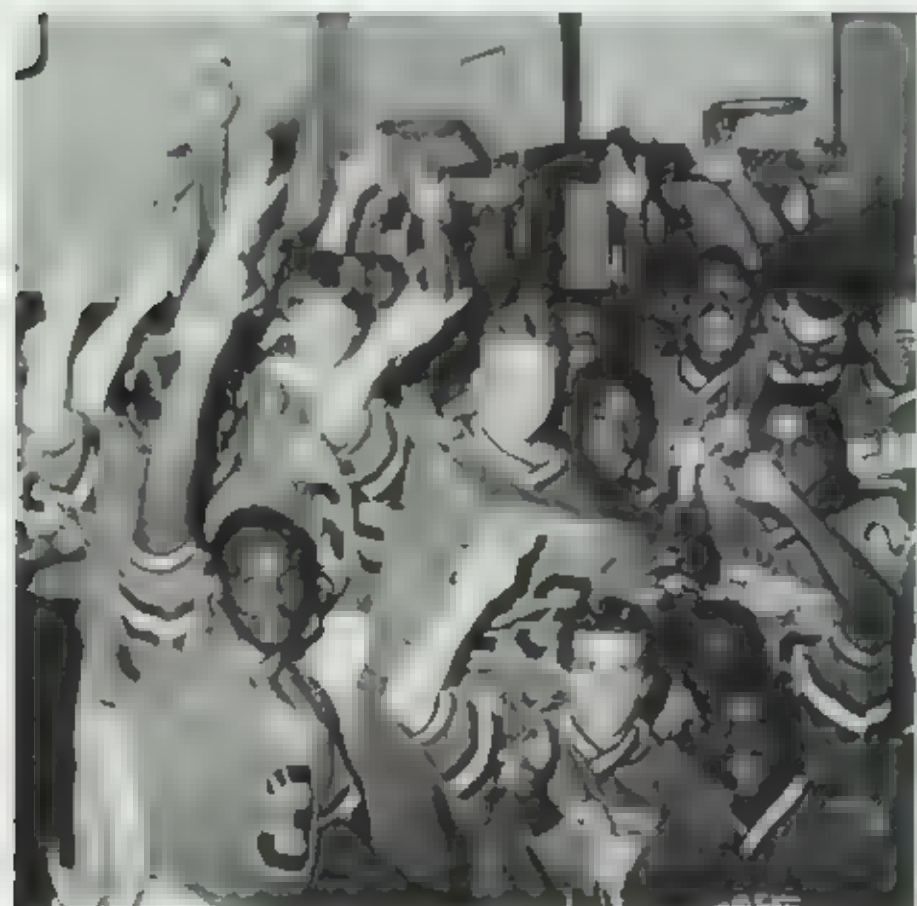

The play-offs began a new season technically. Every game was do-or-die. Four games had to be won to be State Champions and the Crusaders were determined to wear the crown. From the first game against Versailles (27-6), through Columbus Academy (28-0) and Minford (41-0), to the final victory in the Ohio State Horseshoe over St. Thomas Aquinas (27-0), the Crusaders met their goal. The season finals were the ultimate in high school football.

Accolades came in even after the season ended. Carlos Snow made First Team All-State tailback, and Player of the Year in A-AA Southwest District. Vinnie Clark was second Team defensive back All-State; Dante Johnson was Second Team All-State linebacker; Toby Gilbert was named All-State Second Team lineman and Mark Athon was named Honorable Mention All-State Team as a kicker.

The team as a whole was credited with several firsts. It was the first Cincinnati Public School to make the football play-offs, and of course, the first to win the Championship. It was also the first to finish a regular season with a 10-0 record. Coach Steve Sheehan had reason to be proud.

Endurance And Concentration

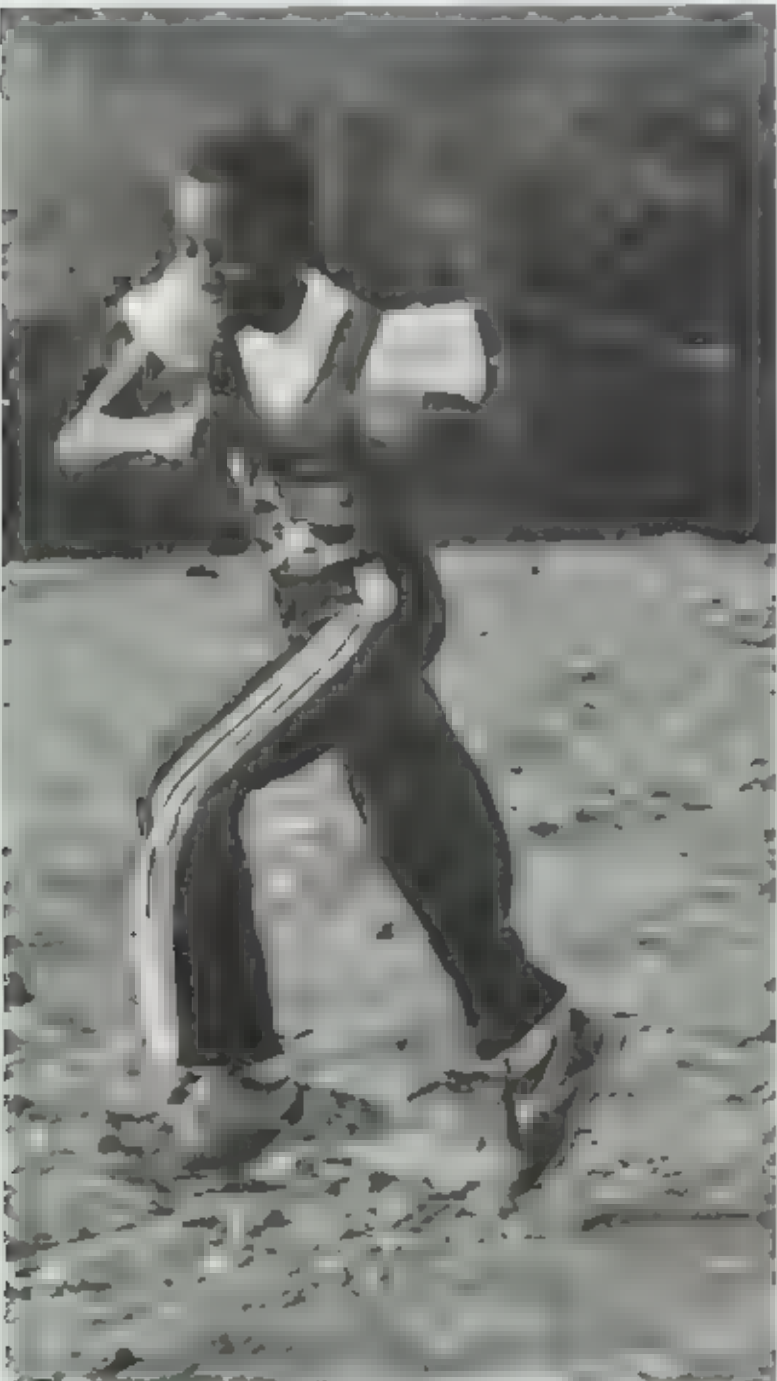

Though sometimes referred to as "minor" sports, Cross Country and Archery advocates will hear nothing of it. It is through the likes of such sports that the necessary skills of all athletic endeavor are built. Cross Country provides the epitome of for developing endurance. The three-kilometer course is a challenge, but when an athlete is in shape, the meters fly by.

Archery doesn't require the endurance of a runner. Stamina is a better word. A competition can last up to 5 hours. Beyond that, concentration is the name of the game. As each flight of archers is called to shoot, the utmost quiet is required. The position of the bow, the pull of the string and the focus on the target require CONCENTRATION!

Both Coach Ranz and Coach Godfrey can be proud of the contributions they make to the CAPE program.

Winning Ways

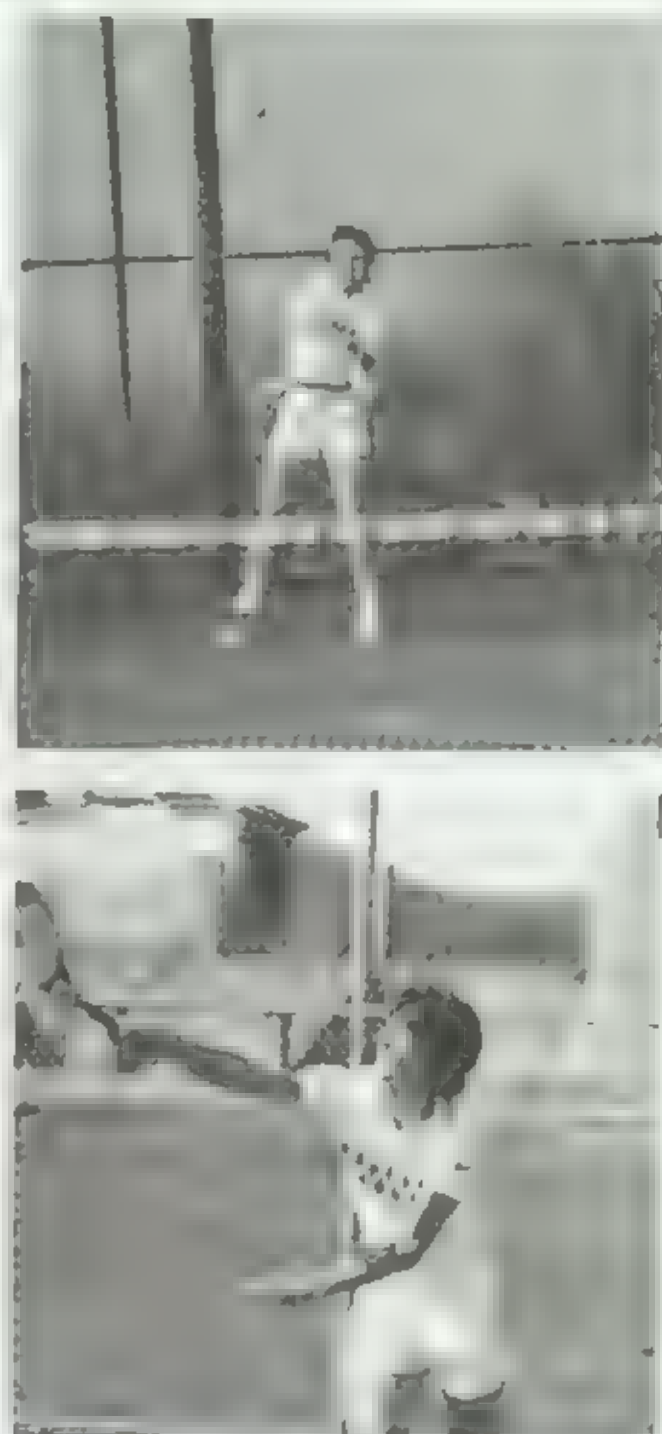

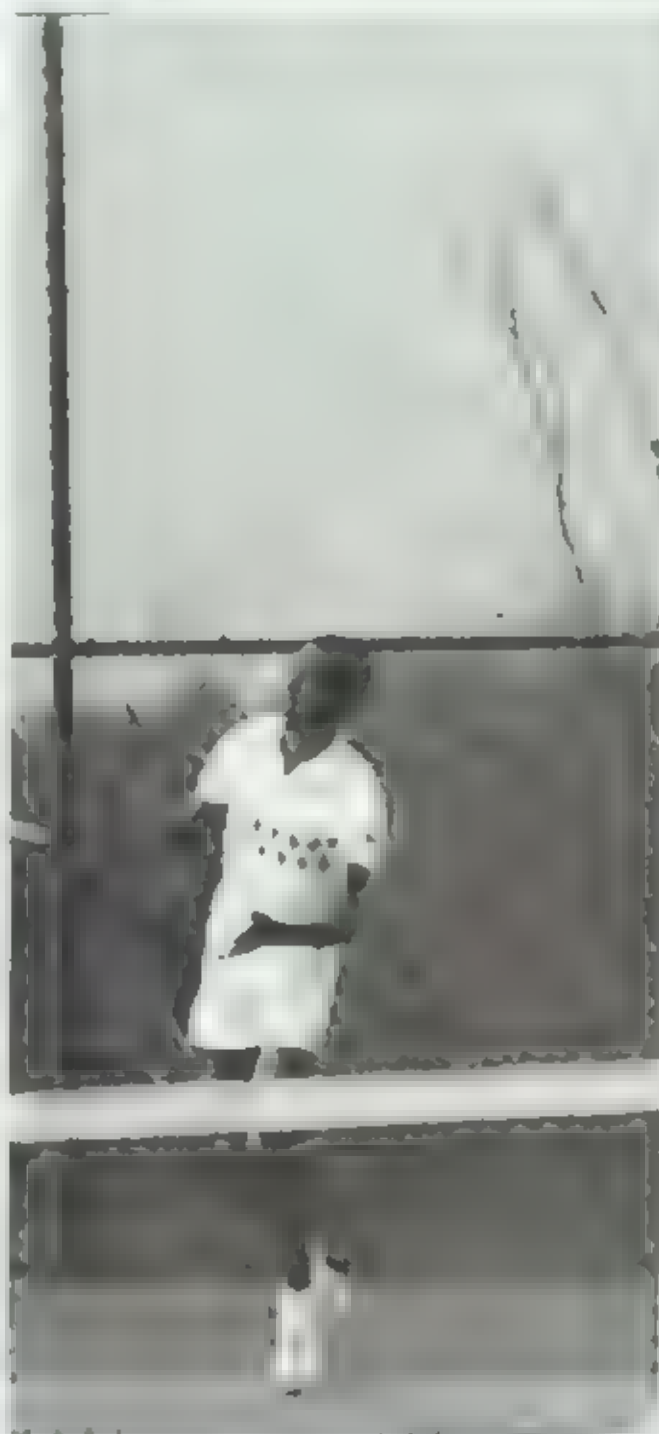

In its four varsity seasons, the CAPE golf team has showed the experience of a veteran squad. Winning 25 of its 31 matches, the team placed second in the CHL and sixth in the district. John Garner was the outstanding golfer with a 42 average. He was closely followed by Sean Garner and Dave Cox. Dave Cox had an outstanding finish by coming in third in the district. Needless to say, Coach Dave Price is looking forward to the 1986 season.

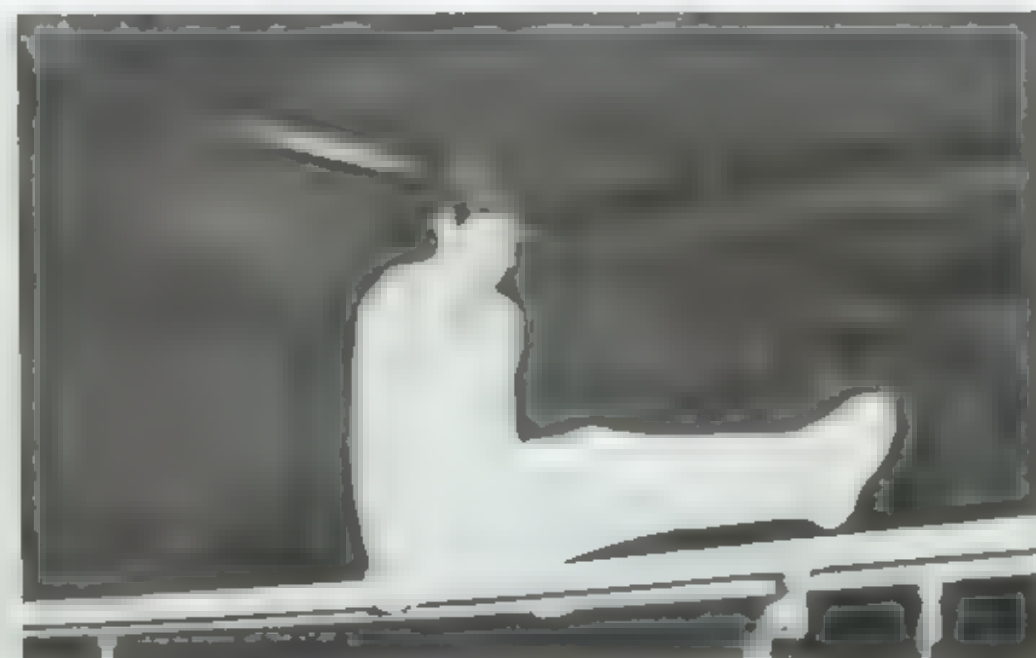

The Tennis Team, under a new coach, Lynne Hannum, had a rebounding year. Seven players rounded out the squad. The good spring weather allowed them to get in most of their matchers. The 1-12 season gives no indication of the great strides this team made.

Strength, Grace & Elegance

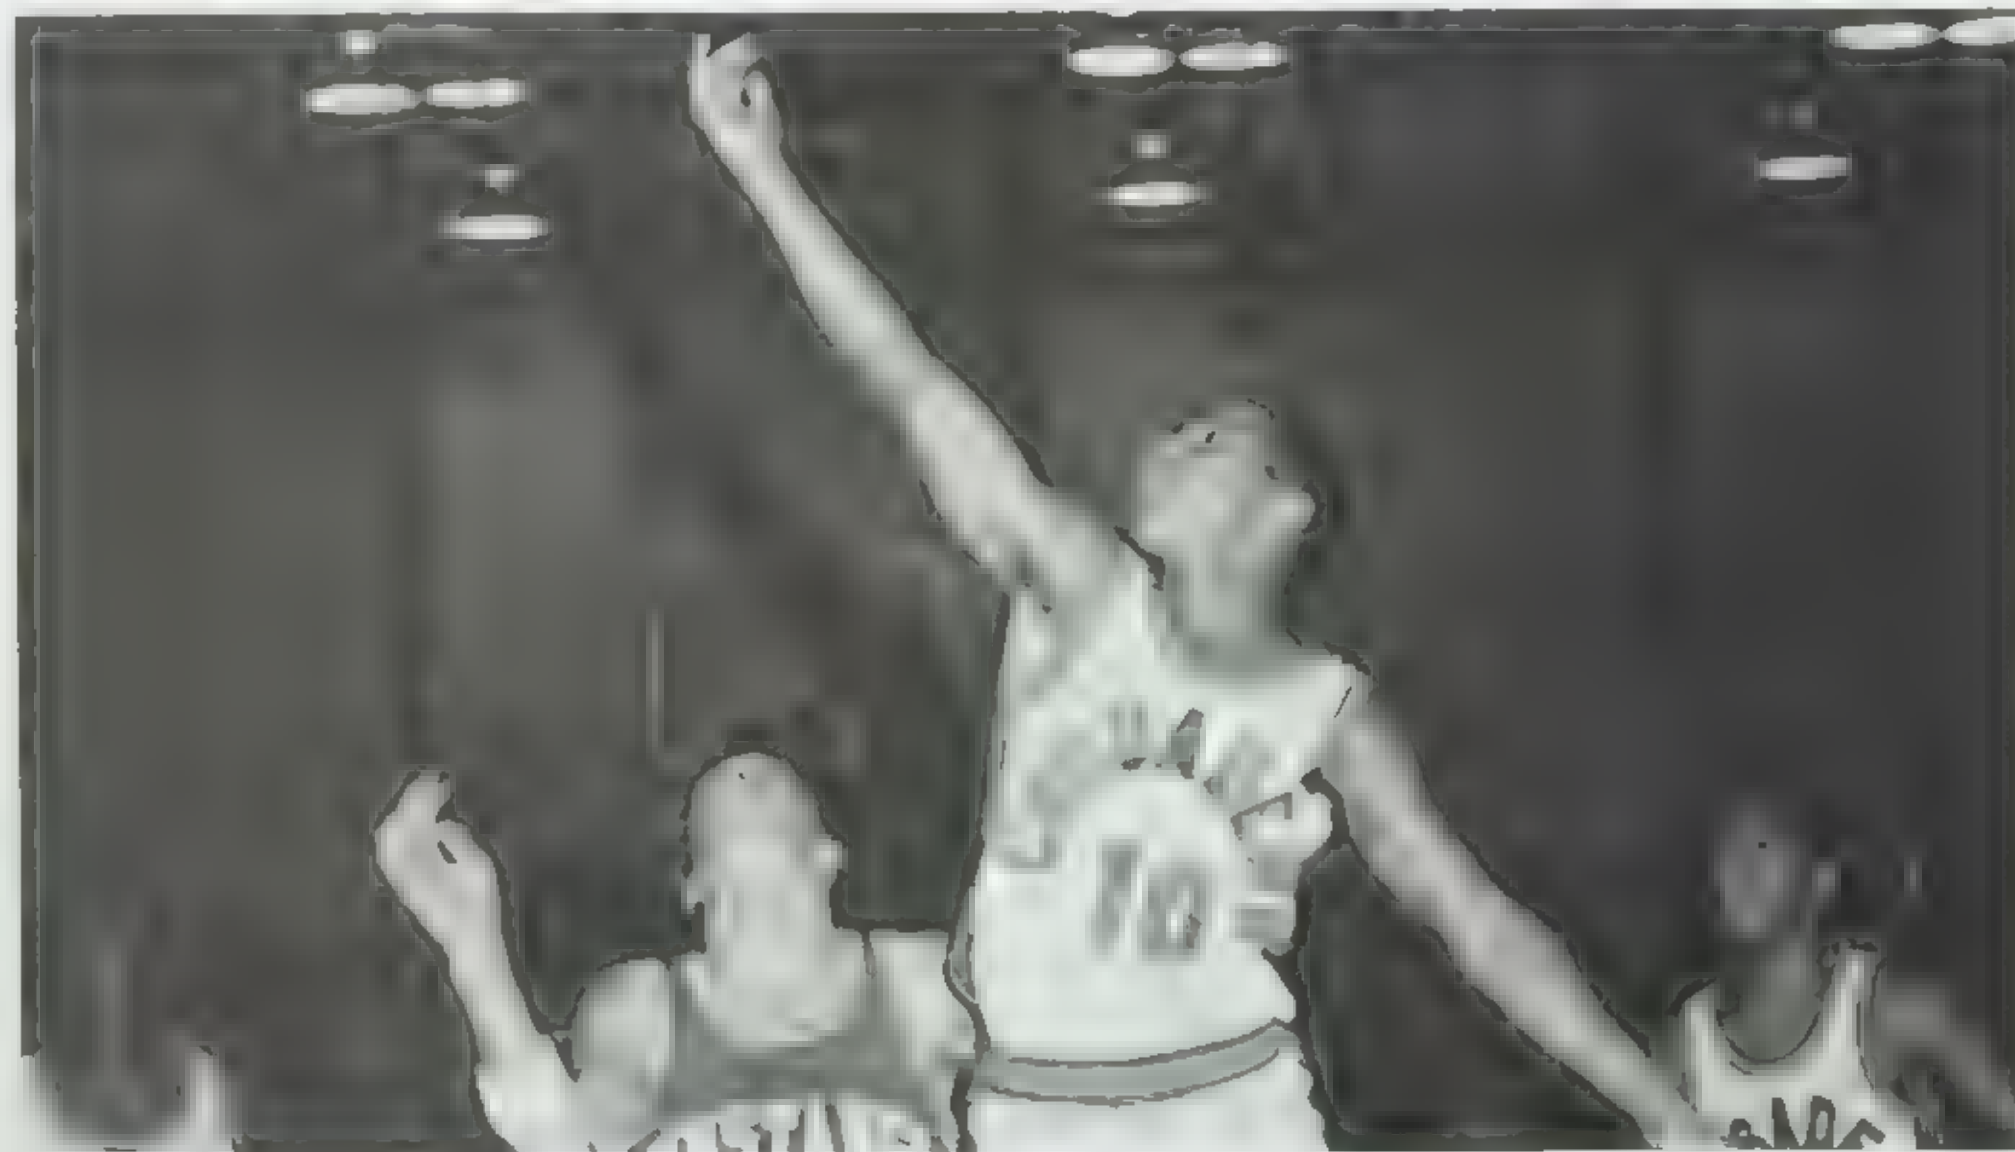

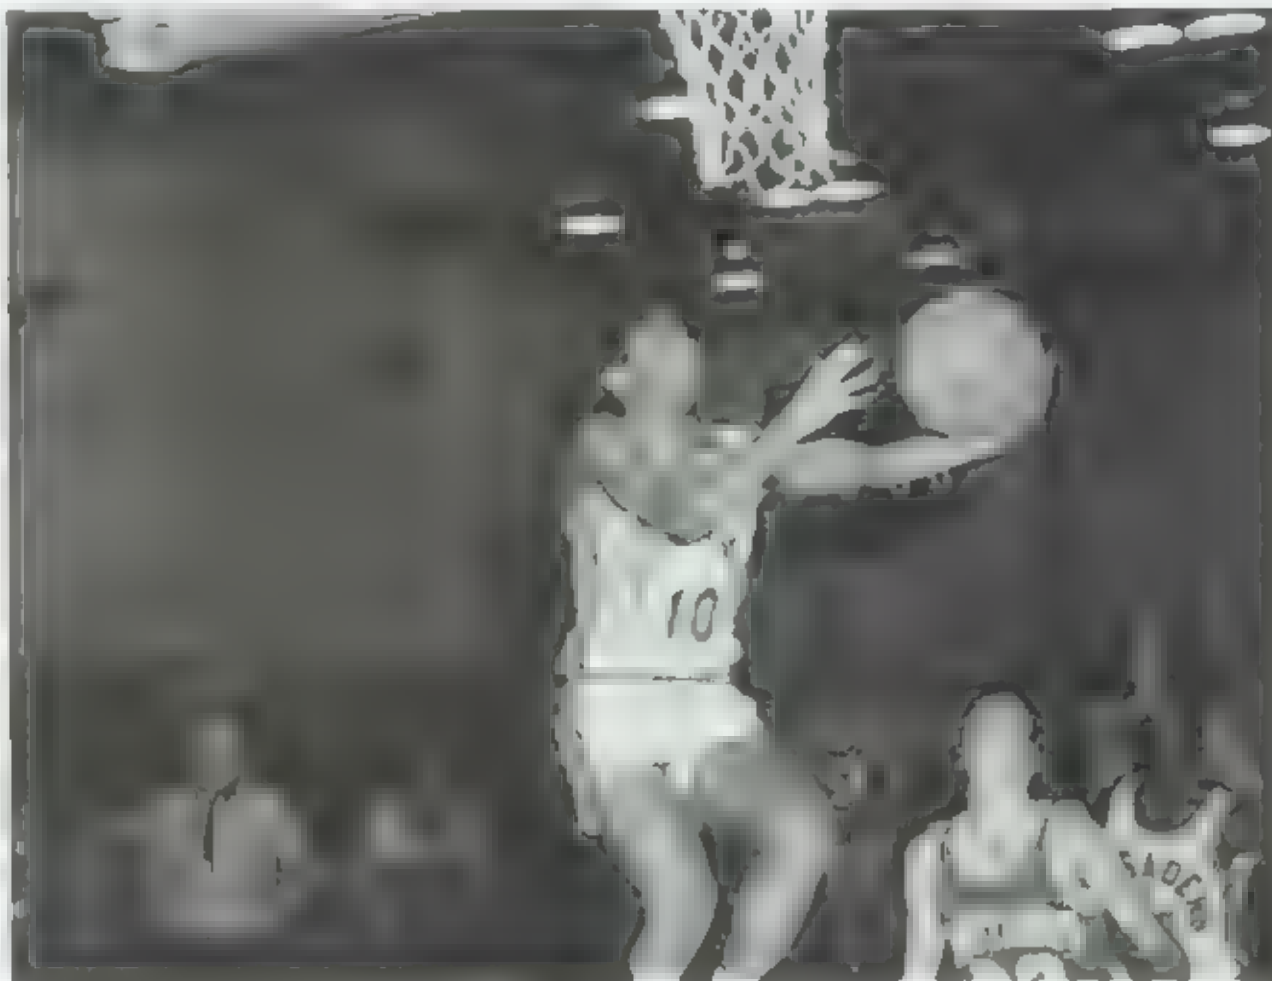

The term "Gymnastics" means physical exercise, developing or exhibiting skill, strength, and control in the use of the body. Gymnastics describes exactly what CAPE has and will continue to have throughout the years. Today, gymnastics is considered one of the most beautiful sports around. It is also one of CAPE's first sports.

The boys gymnastics team went 2-7 this school year. Franklin, their toughest competition, was rated number one in the state, but they had a close match against the Crusader. Only a few points separated the teams. The girls team record was 2-9. Coach Rensburger said that the team had greatly improved over the last two years. This year, the girls team was able to travel to the District tournament in Miamisburg.

A CHL Crown

Mr. Holland's Varsity Basketball Team had an excellent season this year completing the year with a 21 and 4 record. They were ranked #13 in the state at the end of their season. The highest state ranking during this season was fifth. In the past, the Crusaders had not advanced past the district, but this year with hopes of (another) State Championship for the Cincinnati Academy of Physical Education the team was forging on to victory

After graduating the majority of the 1984-85 varsity team, the 1985-86 team came back strong and ready to win. The winning attitude took the team to a district title for the first time in CAPE's history. All this plus the first Cincinnati Hills League Championship in basketball

District Champs!

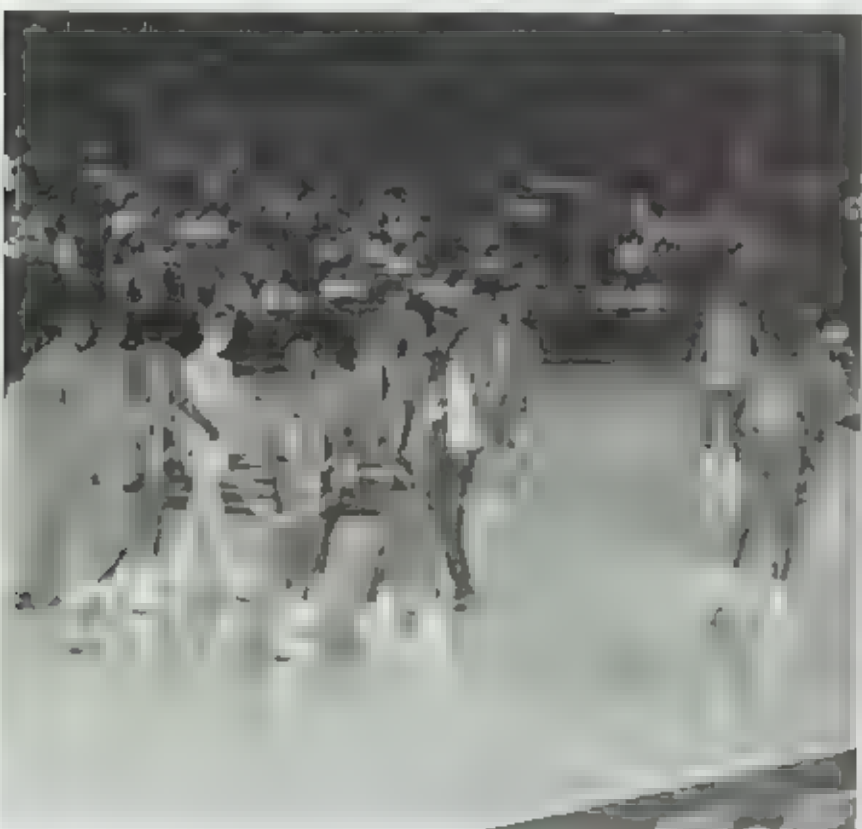

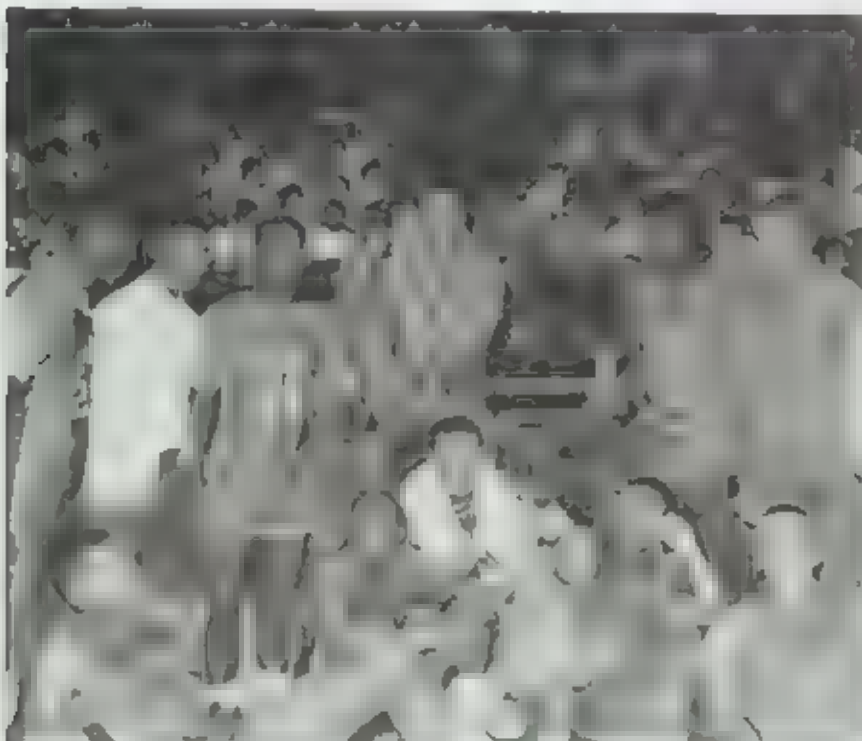

Never in the history of CAPE basketball had the team won a district title. 1986 was the year to reach that goal. Victory and championships marked this season.

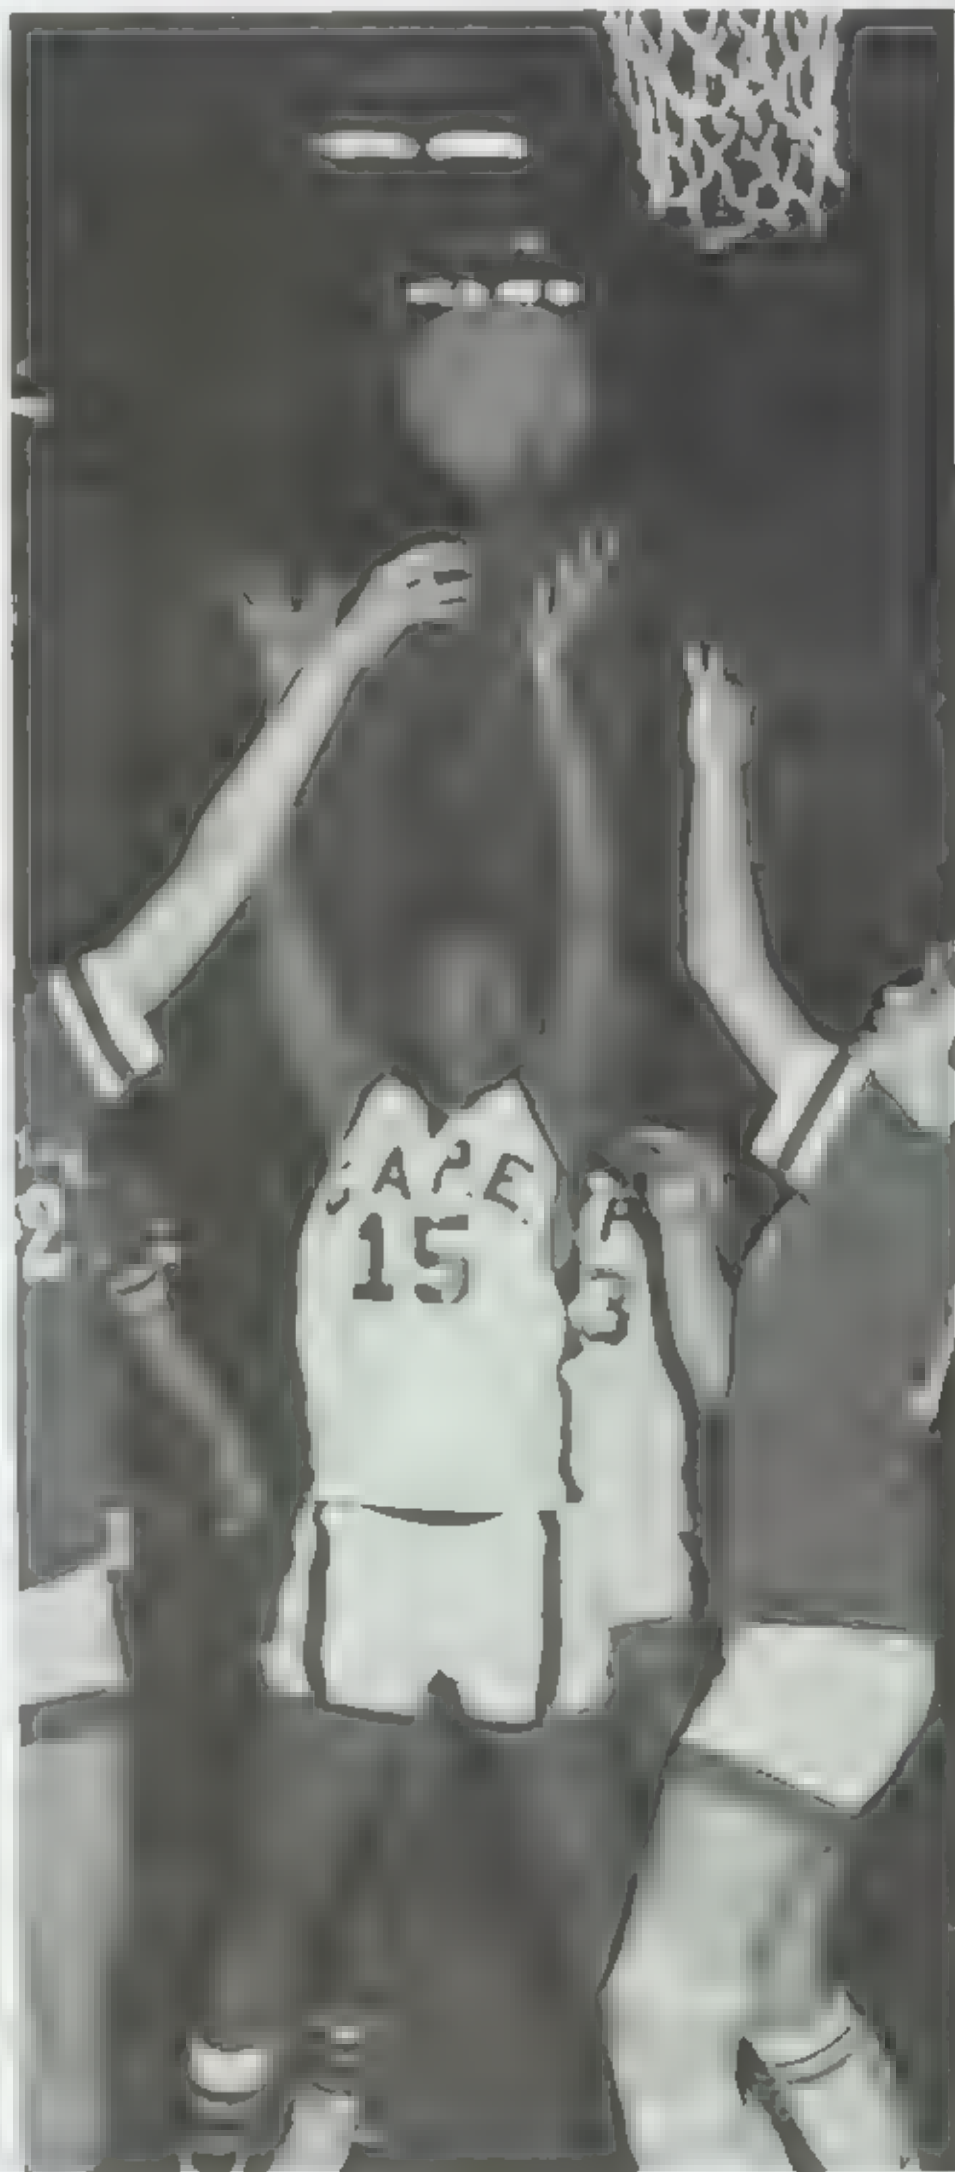

The regional game that followed the district crown proved to be not as successful. However the 69-66 defeat at the hands of state runner-up Greenon marked the first time CAPE had been in the regional round.

Lady Crusaders Finish Second In District

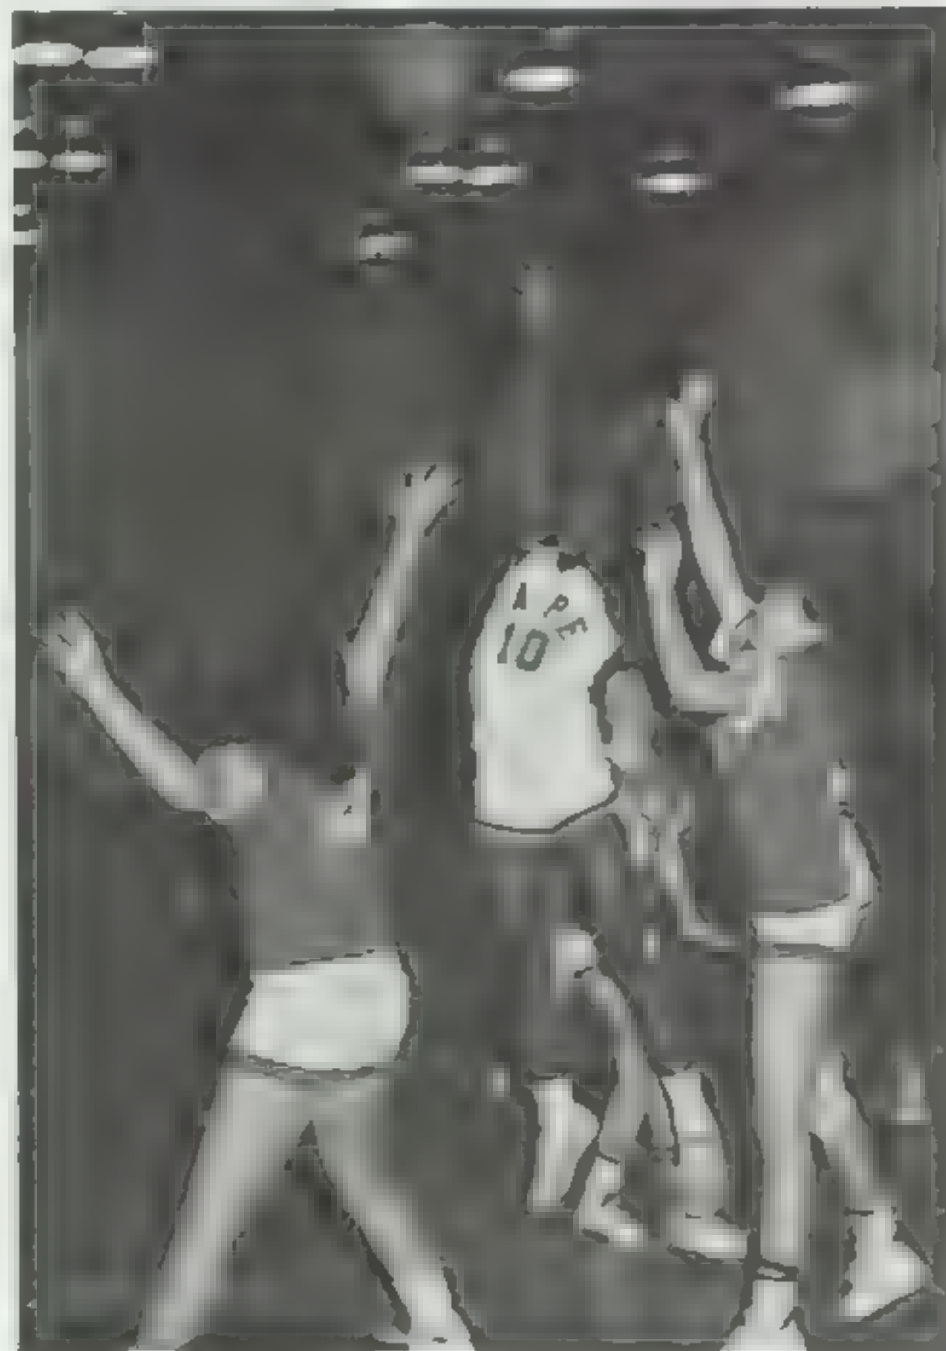

With the onset of cold weather, the basketball season began. By early November, the members of the Girls Basketball Team were in shape and ready to go. The enthusiasm and excitement generated in the early days of the season extended throughout the year.

Under new coach Anita Burke, the team progressed well. Her knowledge and experience provided the strong leadership necessary for success. Co-Captains Erica Lane and Denine Foney also contributed to the accomplishments made during the year. The highlight of the season was the 65 to 44 victory over Indian Hills. Erica Lane led the team with 16 points. A 10-10 record during the regular season and a 3-1 in the playoffs makes the girls hopeful and anxious for the '87 season to begin.

For the first time in CAPE's history, the Girls Basketball Team went to the district finals. They were runners-up to Macon Eastern.

The Bump, Set, Spike Girls

The Lady Crusaders Volleyball Team was led by senior Mary Faulk. Her four years experience was a big factor in promoting the spirit of the team. Other seniors, LaDonna Mango, Denine Foney, and Tauanna Payne provided some experience for the new coach Bob Millisor. Despite this experience, the team was deprived of a winning season. Their 3-16 record was a result of many complicating factors. Needless to say, most of the girls expressed disappointment, but were obviously anticipating the 1986 season.

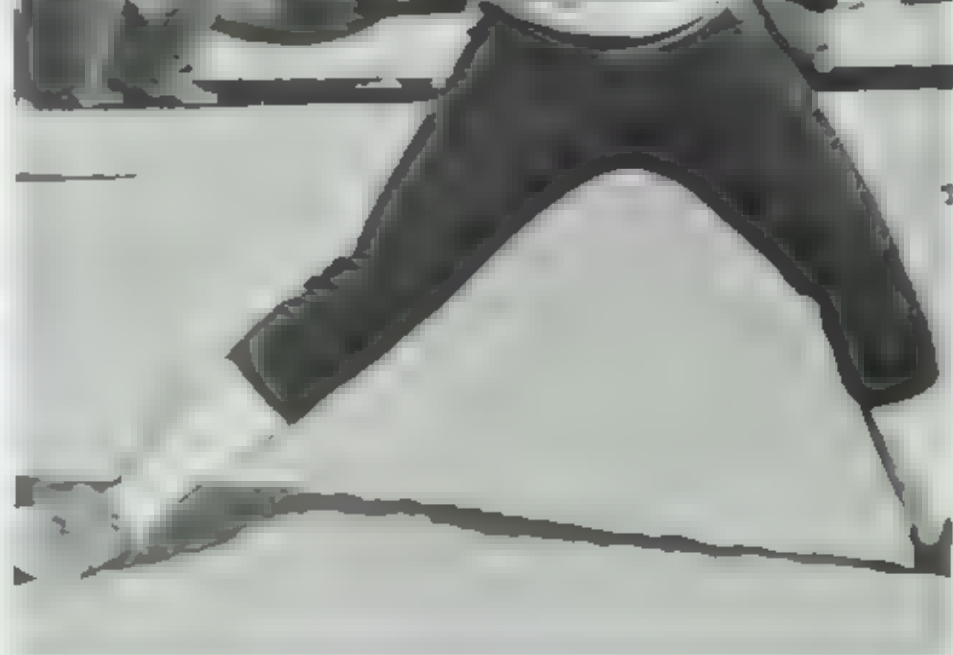

The highlight of the season was the victory over archrival Harrison. In the excitement of the second match, Mary Faulk scored 8 straight points, which brought Harrison's crowd off their feet. The "most improved player," Denine Foney, showed the form that won her this award.

Spring Fever

The 1985 District Champs had a good year with a 11-10-2 record. Baseball can be a difficult game to understand. This season was a perfect example of how a few unexpected turns of events can change an entire season. Several key ball players were injured in the season which upset their record. Much to the pleasure of Coach Runion, some very able reserve players stepped up to fill some of the varsity spots. After a week of solidifying the new team, they played with enthusiasm and true desire. When the playoffs began, the team felt it was ready. In the district, the players played extremely well, but lost their chance to advance by a score of 4-3 to Taylor

Swinging Into Spring Crusader Style

Under Coach Jan Worley, the Varsity Softball Team compiled a 5-17 season. Lack of experience was the chief culprit in the season that, despite its record, maintained a spirit of competitiveness. Both Coach Worley and Assistant Coach Peggy Meacham agreed that the season was fruitful. Primarily, it was the play of some key players that made up for the record.

Missy Votaw, the team's MVP, was an all around asset. She batted .318. Ruth Tombragel made the CHL all-star team with a .400 batting average and some fine field play. Both Shawna Peoples and Denine Foney also had averages over .300. In a department not backed by statistics, Sharie Bergen and Ginger Williams won the "Zeal, Inspiration and Perseverence Award"

Soccer — Just For The Kick Of It!

The 1985 soccer season was another success. The season went smoothly, with a return of several veteran players. There are many young players on the team that will return next year with ample experience. This should help the team's overall performance.

Although the final record of 5-7-2 was a losing one, the fine ability of the players is not shown. For example, Lukiko Mcharo was the M V P. — all CHL league, and among the top 10 scorers in the league. Other standouts were: John Beckham, Mike Chumbiey, William Bell, and Scott Rheude.

Mr. Bailey has an optimistic look for next year's team — "With the talent I've seen, I'm really looking forward to next year's team."

Sprinting To Columbus

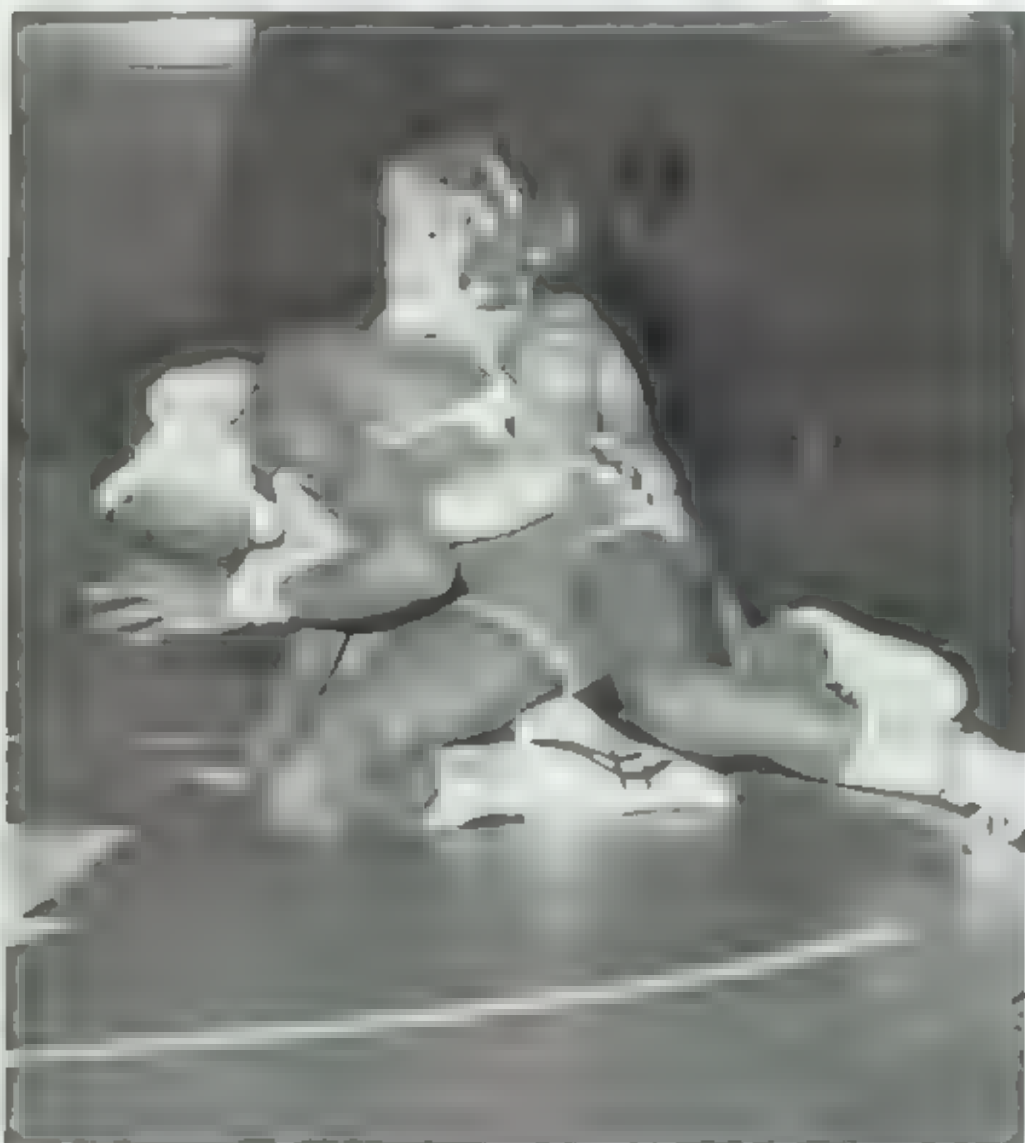

One of the first signs of spring around CAPE each year is the formation of the Track Team. This year was no different. Under new coach Christoph, the team continued its winning ways. Despite the plague of injuries this team experienced, a place in Columbus was waiting. Junior Vinnie Clark capitalized by taking a sixth in the 100m state finals. He was named runner of the year for Class A-AA by the Enquirer.

A Building Year

Wrestling is a body-contact sport between two athletes. Each tries to throw the other down and pin his shoulders to the mat or ground. CAPE, like other amateur situations, uses the "Catch-as-catch-can" style.

It should never be confused with the popularized television which resembles the sport in name only. Many athletes use the real sport for training and as a health building exercise.

CAPE'S season could best be described as "transitional". Coach Liske called it a "definite building year". Of the nearly forty would-be wrestlers that began the season, only ten were able to stand the regime and discipline required of this demanding sport.

From the 98 pound class through the heavyweight division, athletes must condition themselves mentally and physically for the total dedication required.

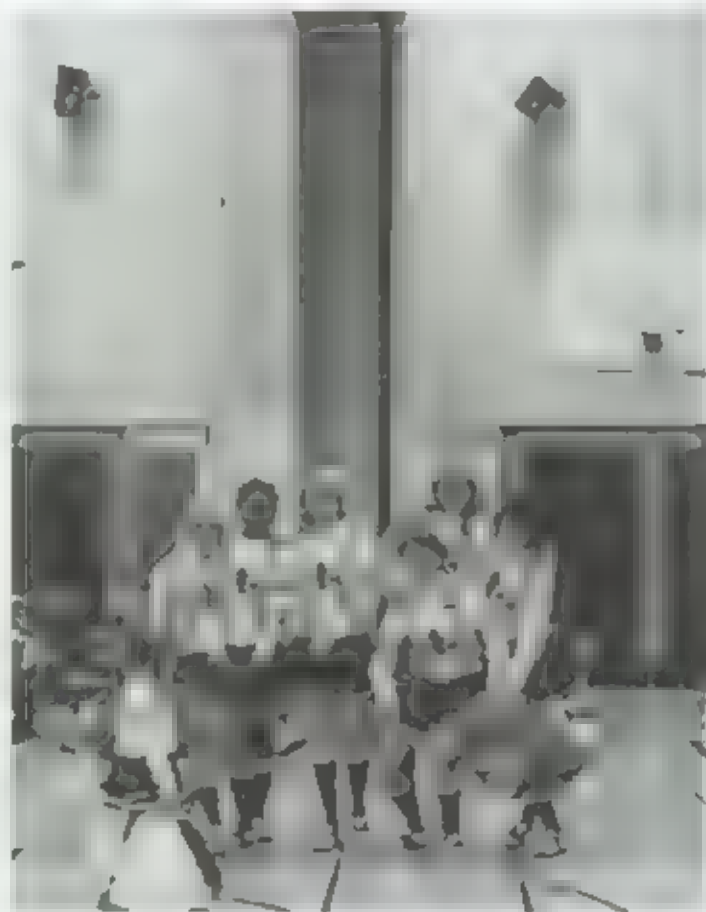

Wrestling is the oldest sport known to man, but at CAPE it has a new beginning.

Spirit! Enthusiasm! Committment!

The 1985-86 Cheerleading season was full of excitement, energy, commitment, and spirit. For the Varsity cheerleaders, it was an especially exciting year due to the Crusader football team winning the State Championship and the Crusader basketball team winning their District Championships.

During their summer practices, all three squads worked very hard at perfecting their pyramids and partner stunts. Everyone involved with the cheerleaders was very disappointed to find out that the O.H.S.A.A. had just passed a rule (for safety reasons) forbidding such stunts. Many things were done to try and change the rule but as of yet nothing has been changed. Hopefully these changes will come next year.

This year the Varsity and Reserve cheerleaders had a new coach/advisor, Mona Besl. Veteran coach, Nancy Holtkamp, worked with the Jr. High squad.

State Champs: Girls On The Move!

State Champs! Two words that have the sweet sound of success! The hours and hours of training and preparation paid off on a hot June 7 in Columbus when the Lady Crusaders captured the Class A State Championship. Before that, they had won the CHL, the district and regional crowns. With Michele McGruder taking a first in the 100m, Tyra Gordon a third in the 100m, and the 400m relay team setting a new state meet record, the championship belonged to this team. Coach Engel could only beam with satisfaction for a job well done. For his part in the success of the season, Coach Engel was named the Class A-AA Coach of the year by the Enquirer

Figure 1. Schematic representation of the experimental design. The subjects were divided into two groups: a control group and an experimental group. The control group received a standard training program, while the experimental group received a training program with a focus on the specific skills required for the task. The results of the training program were compared between the two groups.

The diagram illustrates a two-stage process. Stage 1 consists of a 'Pre-Test' box, which leads to 'Pre-Test Results' and then 'Pre-Test Feedback'. Stage 2 consists of a 'Post-Test' box, which leads to 'Post-Test Results' and then 'Post-Test Feedback'. A 'Transfer' box connects the 'Pre-Test' to the 'Post-Test'. A 'Feedback' box connects the 'Pre-Test Feedback' to the 'Post-Test Feedback'.

Figure 1. Schematic diagram of the experimental setup. The subject is seated in a chair and views the target through a video camera. The target is a light source that is controlled by a computer. The subject's hand is positioned over the target. The target is a light source that is controlled by a computer. The subject's hand is positioned over the target. The target is a light source that is controlled by a computer. The subject's hand is positioned over the target.

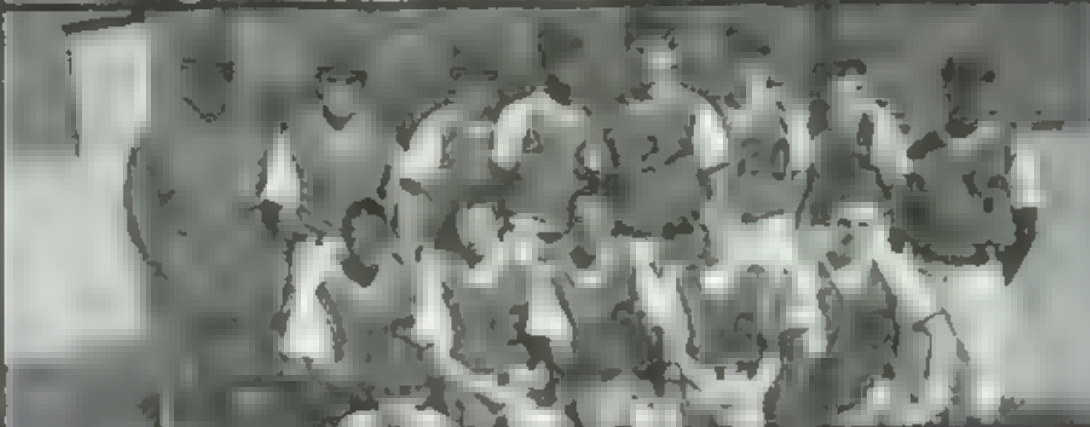

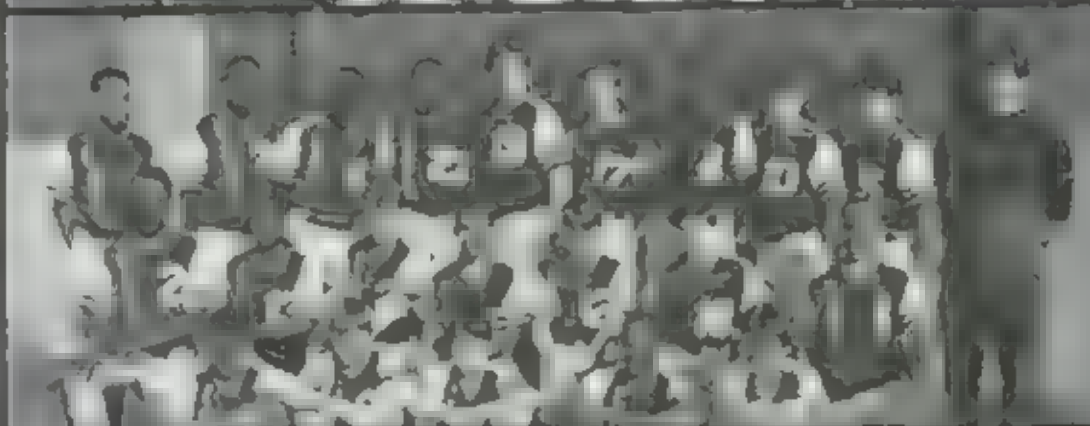

Figure 1 shows a schematic diagram of a 2D hexagonal lattice. The lattice is composed of solid circles representing atoms. A central atom is labeled 'A'. To its right is an atom labeled 'B'. Above 'A' is an atom labeled 'C'. Below 'A' is an atom labeled 'D'. To the left of 'A' is an atom labeled 'E'. To the right of 'B' is an atom labeled 'F'. The lattice is bounded by a dashed line. The top boundary is labeled x_1 on the left and x_2 on the right. The bottom boundary is labeled y_1 on the left and y_2 on the right. The left boundary is labeled x_3 and the right boundary is labeled x_4 . The top boundary is also labeled y_3 and the bottom boundary is labeled y_4 .

It's been real, it's been fun, but it has not been real fun

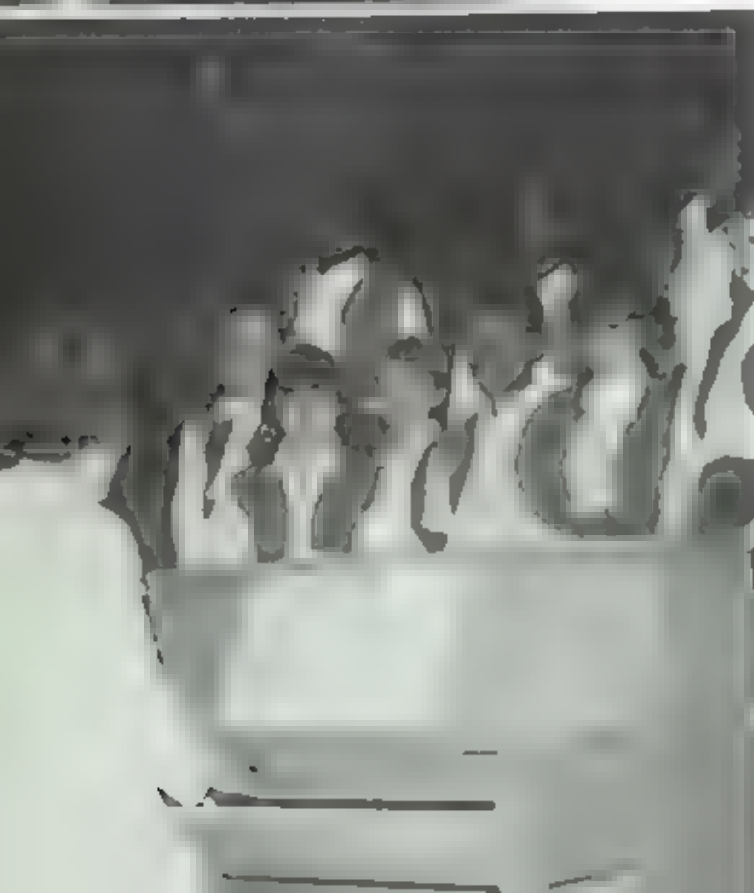

This is our day
God has given us this day
to use as we will. We can waste it,
or use it for good. What we
do today is very important,
because we're exchanging for it, a day
of our lives

When tomorrow comes, this day
will be gone forever

Teaching us to live life to
its fullest is the goal of CAPE

It is on this premise that
the school was founded. It is
through this development of
mind, body and spirit that
we conclude another school year
